Re: Aetna-Humana

Dear Commissioner Jones:

I am writing to offer public comment in advance of your April 27, 2016 hearing on the impact of the Aetna acquisition of Humana. It is important to highlight the positive impact that this consolidation brings to Fresno, California and let you know of my support for the transaction.

Attached is a list of some of the largest employers in that we rely on locally – Aetna being the only major insurance company. Specifically, Aetna employs approximately 770 people at a major service center operation in Fresno and the corporation continues to expand with a commitment to add another 225 jobs by the end of 2017. In addition, Aetna employs approximately 250 people who work from home in our community. Fresno County's unemployment rate is 9.3% almost twice the national rate of 5.4%. Aetna's contributions to our economy are important and I am confident this transaction will continue to bring positive change based on Aetna's track record of being a strong corporate citizen.

I appreciate the opportunity to comment to ensure expansion of our employment base in Fresno. If you have any questions or would like to speak further with me on this issue, please feel free to contact me at (559) 621-8000.

Sincerely,

Ashley Swearengin
