To the President of Public Serv Ins Co:

This e-mail is being sent in connection to Bulletins 2020-3 and 2020-4 issued by the California Department of Insurance ("Department").

On April 13, 2020, the Department issued Bulletin 2020-3 on Premium Refunds, Credits, and Reductions in Response to COVID-19 Pandemic. Bulletin 2020-4 was issued on May 15, 2020 to provide additional clarification on Bulletin 2020-3.

As part of Bulletin 2020-3, insurers writing business in the lines of insurance identified must submit a report to the Department within 60 days of the date of the Bulletin. It states that the report must include "all actions taken and contemplated future actions to refund premium in response to or consistent with this Bulletin. The report shall include California-specific information and an explanation and justification for the amount and

duration of any premium refund, and how those measures reflect the actual or expected reduction of exposure to loss" for March and April 2020. However, Bulletin 2020-4 clarified that the report must also include information for May 2020.

To aid in the submission of your company's reports and to ensure timely receipt of submissions, the Department has provided an Excel workbook that can be downloaded at the following link: http://www.insurance.ca.gov/0250-insurers/0300-insurers/0100-applications/rsb-forms/2020/index.cfm.

This report is due no later than June 12, 2020. Completed reports and related questions should be submitted to the Rate Specialist Bureau at email address: RSBCovid19PR@insurance.ca.gov.

We thank you for your cooperation with this matter.

Sincerely,

George Yen
Chief, Rate Specialist Bureau
