 Medical Loss Ratio Reporting Form: Dental Coverage
 Part 3 - Expense Allocation

Description of Expense Element (by Type)	NEW	Detailed Description of Expense Allocation Methods
1	2	3
1. Incurred Claims		
Paid Claims - Adjudicated claim activity for fee for service claims from source system.		Transactions are allocated to legal entity, state, product, and group size (where applicable) directly from policyholder/member information obtained during case installation.
Change in IBNR - Incurred but not reported claim activity (IBNR) for service claims not yet adjudicated for current and prior periods.		Reserves for IBNR are developed using historical fee for service claims development triangles at a legal entity, state, product, and group size (where applicable) level.
Capitation - Payments to dental care providers and clinical risk bearing entities (as defined in HHS Guidance) for patient services.		Capitation payments recorded to legal entity, state, product, and group size based on actual membership (pmpm) within these aggregations who have access to these services.
Provider Settlements - Provider settlement cost for specifically known and identified in-network and out-of-network provider settlements paid/payable/reserve due to extra-contractual negotiated settlements, fee schedule errors, contracts with disputed calculations, etc.		Settlement expense is allocated to legal entity, state, product, and group size in the following manner: Pairs and known payables are based on membership, while the IBNR component is allocated based on paid claims, or there is a direct charge and no allocation is required.
State Assessments		Assessment is calculated and allocated to the legal entity, state, product, and group size for which the assessment applies. Allocation based on legal entity, state, product, and group size membership or fee for service claim experience, depending on assessment type.
2. Federal and State Taxes and Licensing or Regulatory Fees		
2.a Federal taxes and assessments		
Federal Income Tax		Federal income tax, excluding tax on investment income and the MLR rebate, is allocated across each state and column (line of business) based on the respective portion of pre-tax income or loss to the issuer's total pre-tax income or loss.
Other Federal Taxes (other than income tax) and assessments deductible from premium		These taxes are booked to the legal entity or are included in the management fees paid to the contract company. They are allocated within the legal entity to the various states and columns based on membership, revenue, or largest financial cross section depending on the legal entity.
2.b State insurance, premium and other taxes		
State income, excise, business, and other taxes		State income tax (where applicable), excluding tax on the MLR rebate, is allocated first to states that impose income tax and then to the columns (lines of business) based on the respective portion of pre-tax income or loss to the issuer's total pre-tax income or loss in that state.
State premium taxes		Premium tax (where applicable), excluding premium tax on the MLR rebate, is calculated based on member situs and reconfigured to be reported based on employer situs.
2.c Community benefit expenditures		
Community Benefit Expenditures		Not applicable.
2.d Regulatory authority licenses and fees		
Regulatory authority licenses and fees		Regulatory authority licenses and fees are direct charges incurred by the legal entity from various regulatory agencies. These expenses are recorded to the legal entity charged and then allocated within the legal entity to the various states and columns based on membership, revenue, or largest financial aggregation depending on the legal entity.
3. Non-Claims costs		
3.a Direct sales salaries and benefits		
Direct sales salaries and benefits		Direct sales salaries and benefits are part of the management fees paid to the contract company. Direct sales salaries and benefits were allocated to each state and column through multiple drivers which include programs, employees, revenue, selling, general, and administrative expenses, and membership.
3.b Agents and brokers fees and commissions		
Agents and brokers fees and commissions		Agents and brokers fees and commissions expenses are booked at the various states and columns based on policy level information and/or membership.
3.c Other taxes		
Other Taxes		Other taxes are direct charges incurred by the legal entity. These expenses are booked to the legal entity charged and then allocated within the legal entity to the various states and columns based on membership, revenue, or largest financial aggregation depending on the legal entity.
3.d Other general and administrative expenses		
Other general and administrative expenses		Other general and administrative expenses are part of vendor services paid either to the regulated entities contract company, UnitedHealth Group Incorporated (UnitedHealth Group) affiliates or non affiliated external vendors. Management fee other general and administrative expenses were allocated to each state and column through multiple drivers which include claims volume, call volume, programs, employees, revenue, medical expense, selling, general, and administrative expenses, and membership. Any general and administrative expenses provided through direct arrangements with UnitedHealth Group affiliates or non affiliates are based on the vendor provided percentage of overall spending purchased by this entity for each state and line of business.
