United Policyholders ("UP") respectfully submits this verified general Request for finding of Eligibility to Seek Compensation (hereinafter "Request") as a consumer intervenor pursuant to California Insurance Code (hereinafter "Cal. Ins. Code") §1861.10 and California Code of Regulations (hereinafter "C.C.R."), title 10 §2662.2. UP requests that if the Request is granted, it be valid for a duration of two years. UP represents the interests of California insurance consumers and accordingly, and for the reasons set forth below, respectfully, urges the Commissioner to grant the Request.

I. UP REPRESENTS THE INTERESTS OF CALIFORNIA INSURANCE CONSUMERS THROUGH EDUCATION AND ADVOCACY PROGRAMS

United Policyholders (hereinafter "UP") is a non-profit, 501(c)(3) public benefit corporation, incorporated under the laws of the state of California (see Exhibit A – Articles of Incorporation). UP’s mission is “to be a trustworthy and useful information resource and an effective voice for consumers of all types of insurance in all 50 states.”

1 To learn more about UP’s mission, resources, and advocacy work, please visit www.uphelp.org.
UP does not sell insurance or accept financial contributions from insurance companies. UP give[s] [consumers] the straight scoop on insurance matters; guide[s] [consumers] through the claims process; answers[s] [consumer] questions; and fight[s] for [consumer] rights. UP’s website serves as an information clearinghouse for consumers on purchasing insurance, making claims, and policyholders legal rights.

UP was founded in 1991 after the Oakland-Berkeley Hills Firestorm to assist homeowners with insurance claim issues. Through its specialized knowledge of the insurance claims process and subject matter expertise, UP has been successfully guiding homeowners on the path to disaster recovery for almost 25 years. A diverse range of policyholders throughout California communicate on a regular basis with UP, which allows us to provide important and topical information to courts, legislators, regulators, and commentators, regarding insurance principles and reform proposals that are likely to impact large segments of the public and business community.

UP’s work is divided in three programs: Roadmap to Recovery™, which provides tools and resources for solving insurance problems after an accident, loss, illness or other adverse event; Roadmap to Preparedness, which promotes disaster preparedness and insurance literacy through outreach and education in partnership with civic, faith based, business and other non-profit associations; and Advocacy and Action, which advances pro-consumer laws and public policy related to insurance matters, principally through the submission of amicus curiae briefs to appellate courts which are authored on a pro bono basis by experienced insurance attorneys in consultation with UP staff.3

UP has a Board of Directors made up of disaster survivors, insurance lawyers, and claim and financial professionals. It also includes the Executive Director who oversees daily operations and sets policy priorities. UP’s funding comes primarily from individual donors and charitable foundations, businesses, and government agencies. UP is based in San Francisco, California and employs four full-time staff members, including two attorneys. UP works nationally on issues affecting insurance consumers.

A. UP HAS A LONG AND DISTINGUISED HISTORY WORKING WITH THE CALIFORNIA GOVERNMENT ON INSURANCE MATTERS

UP has worked closely with many levels of California government, including the Governor’s Office, the Department of Insurance, and the Legislature. UP’s Executive Director has testified before the California Senate and Assembly on insurance matters, most recently on the issue of earthquake and catastrophic risk insurance availability and affordability on May 14, 2014 before the Senate Insurance Committee.

UP has also been involved in the crafting and implementation of numerous legislative and regulatory proposals regarding insurance consumer issues over its decades-long history, including: Reforms to Cal. Ins. Code 2071 – Requirements in Case Loss Occurs; Reforms to 790.03 – adoption of Fair Claims Settlement Practices Act; and

UP seeks the Commissioner’s approval to seek compensation as a consumer intervenor under Cal. Ins. At the annual meeting of directors held in December, directors shall be elected by the Board of Directors in accordance with this section. Cumulative voting by directors for the election of directors shall not be permitted. The candidates receiving the highest number of votes up to the number of directors to be elected shall be elected. Each director shall cast one vote, with voting being by ballot only.

SECTION 9. SPECIAL MEETINGS

Such notices shall be addressed to each director at his or her address as shown on the books of the corporation. Notice of the time and place of holding an adjourned meeting need not be given to absent directors if the time and place of the adjourned meeting are fixed at the meeting adjourned and if such adjourned meeting is held no more than twenty-four (24) hours from the time of the original meeting. Notice shall be given of any adjourned regular or special meeting to directors absent from the original meeting if the adjourned meeting is held more than twenty-four (24) hours from the time of the original meeting.

SECTION 11. CONTENTS OF NOTICE

Notice of meetings not herein dispensed with shall specify the place, day and hour of the meeting. The purpose of any board meeting need not be specified in the notice.

SECTION 12. WAIVER OF NOTICE AND CONSENT TO HOLDING MEETINGS

The transactions of any meeting of the board, however called and noticed or wherever held, are as valid as though the meeting had been duly held after proper call and notice, provided a quorum, as hereinafter defined, is present and provided that either before or after the meeting each director not present signs a waiver of notice, a consent to holding the meeting, or an approval of the minutes thereof. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.
SECTION 13. QUORUM FOR MEETINGS

A quorum shall consist of a majority of the Board of Directors. Except as otherwise provided in these Bylaws or in the Articles of Incorporation of this corporation, or by law, no business shall be considered by the board at any meeting at which a quorum, as hereinafter defined, is not present, and the only motion which the Chair shall entertain at such meeting is a motion to adjourn. However, a majority of the directors present at such meeting may adjourn from time to time until the time fixed for the next regular meeting of the board.

When a meeting is adjourned for lack of a quorum, it shall not be necessary to give any notice of the time and place of the adjourned meeting or of the business to be transacted at such meeting, other than by announcement at the meeting at which the adjournment is taken, except as provided in Section 10 of this Article.

The directors present at a duly called and held meeting at which a quorum is initially present may continue to do business notwithstanding the loss of a quorum at the meeting due to a withdrawal of directors from the meeting, provided that any action thereafter taken must be approved by at least a majority of the required quorum for such meeting or such greater percentage as may be required by law, or the Articles of Incorporation or Bylaws of this corporation.

SECTION 14. MAJORITY ACTION AS BOARD ACTION

Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the Board of Directors, unless the Articles of Incorporation or Bylaws of this corporation, or provisions of the California Nonprofit Public Benefit Corporation Law, particularly those provisions relating to appointment of committees (Section 5212), approval of contracts or transactions in which a director has a material financial interest (Section 5233) and indemnification of directors (Section 5238e), require a greater percentage or different voting rules for approval of a matter by the board.
SECTION 15. CONDUCT OF MEETINGS

Meetings of the Board of Directors shall be presided over by the President of the Board, or, in his or her absence, by the Vice President of the Board or, in the absence of each of these persons, by a Chairperson chosen by a majority of the directors present at the meeting. The Secretary of the Board shall act as secretary of all meetings of the board, provided that, in his or her absence, the presiding officer shall appoint another person to act as Secretary of the Meeting.

Meetings shall be governed by Robert's Rules of Order, or as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles of Incorporation of this corporation, or with provisions of law.

SECTION 16. ACTION BY UNANIMOUS WRITTEN CONSENT WITHOUT MEETING

Any action required or permitted to be taken by the Board of Directors under any provision of law may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to such action. For the purposes of this Section only, "all members of the board" shall not include any "interested director" as defined in Section 5233 of the California Nonprofit Public Benefit Corporation Law. Such written consent or consents shall be filed with the minutes of the proceedings of the board. Such action by written consent shall have the same force and effect as the unanimous vote of the directors. Any certificate or other document filed under any provision of law which relates to action so taken shall state that the action was taken by unanimous written consent of the Board of Directors without a meeting and that the Bylaws of this corporation authorize the directors to so act, and such statement shall be prima facie evidence of such authority.

SECTION 17. VACANCIES

Vacancies on the Board of Directors shall exist (1) on the death, resignation or removal of any director, and (2) whenever the number of authorized directors is increased.

The Board of Directors may declare vacant the office of a director who has been declared of unsound mind by a final order of court, or convicted of a felony, or been found by a final order or judgment of any court to have breached any duty under Section 5230 and following of the California Nonprofit Public Benefit Corporation Law.
Since this corporation has no members, directors may be removed without cause by a majority of the directors then in office.

Any director may resign effective upon giving written notice to the Chairperson of the Board, the President, the Secretary, or the Board of Directors, unless the notice specifies a later time for the effectiveness of such resignation. No director may resign if the corporation would then be left without a duly elected director or directors in charge of its affairs, except upon notice to the Attorney General.

Vacancies on the board may be filled by approval of the board or, if the number of directors then in office is less than a quorum, by (1) the unanimous written consent of the directors then in office, (2) the affirmative vote of a majority of the directors then in office at a meeting held pursuant to notice or waivers of notice complying with this Article of these Bylaws, or (3) a sole remaining director. If this corporation has members, however, vacancies created by the removal of a director may be filled only by the approval of the members. The members, if any, of this corporation may elect a director at any time to fill any vacancy not filled by the directors.

A person elected to fill a vacancy as provided by this Section shall hold office until the next annual election of the Board of Directors or until his or her death, resignation or removal from office.
SECTION 18. NON-LIABILITY OF DIRECTORS

The directors shall not be personally liable for the debts, liabilities, or other obligations of the corporation.

SECTION 19. INDEMNIFICATION BY CORPORATION OF DIRECTORS, OFFICERS, EMPLOYEES AND OTHER AGENTS

To the extent that a person who is, or was, a director, officer, employee or other agent of this corporation has been successful on the merits in defense of any civil, criminal, administrative or investigative proceeding brought to procure a judgment against such person by reason of the fact that he or she is, or was, an agent of the corporation, or has been successful in defense of any claim, issue or matter, therein, such person shall be indemnified against expenses actually and reasonably incurred by the person in connection with such proceeding.

If such person either settles any such claim or sustains a judgment against him or her, then indemnification against expenses, judgments, fines, settlements and other amounts reasonably incurred in connection with such proceedings shall be provided by this corporation but only to the extent allowed by, and in accordance with the requirements of, Section 5238 of the California Nonprofit Public Benefit Corporation Law.

SECTION 20. INSURANCE FOR CORPORATE AGENTS

The Board of Directors may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the corporation (including a director, officer, employee or other agent of the corporation) against any liability other than for violating provisions of law relating to self-dealing (Section 5233 of the California Nonprofit Public Benefit Corporation Law) asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the corporation would have the power to indemnify the agent against such liability under the provisions of Section 5238 of the California Nonprofit Public Benefit Corporation Law.

The officers of the corporation shall be a President, a Secretary, and a Chief Financial Officer who shall be designated the Treasurer. Any such resignation shall take effect at the date of receipt of such notice or at any later date specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. The above provisions of this Section shall be superseded by any conflicting terms of a contract which has been approved or ratified by the Board of Directors relating to the employment of any officer of the corporation.
SECTION 5. VACANCIES

Any vacancy caused by the death, resignation, removal, disqualification, or otherwise, of any officer shall be filled by the Board of Directors. Vacancies occurring in offices of officers appointed at the discretion of the Board may or may not be filled as the Board shall determine.

SECTION 6. DUTIES OF PRESIDENT

2016 Advocacy and Action Wrap UP

Post-election predictions suggest our consumer protection work will get even harder and safeguards Congress put in place after the 2008 meltdown to prevent financial abuse may be in jeopardy. But UP scored some very significant gains this year through our Advocacy and Action program and we are ready for the important work that lies ahead in 2017. We hope you will continue to support our work throughout the country...

Recent highlights include:
- The national Essential Protections for Policyholders project
- Intervening to prevent harm from the use of a risk model called "Fire Line"
- A big victory in Texas
- Helping consumers make good buying choices
- Two new UP Task Forces staffed by volunteers
- Championing policyholder rights in courts & where it counts
- Recent UP Friend of the Court briefs

The national Essential Protections for Policyholders project

A 50 state "Essential Protections for Policyholders" legislative template and report was recently released by the Rutgers Center for Risk and Responsibility in cooperation with United Policyholders. Each state has its own laws and regulations on insurance. Some protect consumer rights much more than others. The Essential Protections project identifies laws that should be in place in every state, along with suggested statutory language for bringing all 50 states up to appropriate standards.

Intervening to prevent harm from a risk model called "Fire Line"

Some insurance companies are now using the system to re-classify and re-rate the properties they insure. As a result, homeowners in some parts of the state are being dropped by their long time insurer and having trouble replacing their coverage at an affordable price. Fire Line is one of the "black box" rating models that regulators across the US are having a hard time dissecting. UP absolutely recognizes the need for insurers to underwrite and accurately price the risks they insure, and climate change and the drought are real factors. But reports of similar houses getting dramatically different Fire Line scores are cause for a deeper inquiry. It's essential to consumers and a healthy competitive insurance marketplace that computerized risk models not inflate risk or discriminate based on hidden factors.

A big victory in Texas

The most potent leverage an individual consumer has to hold powerful insurance companies to their promises and obligations is the right to use our public civil court jury system to resolve a dispute. So when a Texas home insurance company sought approval from the state's regulator to hoodwink consumers into giving up that leverage, UP swung into action. The insurer wanted to offer a modest premium discount in return for the consumer agreeing to resolve all disputes in private binding arbitration.

We weighed in with the Texas Insurance Commissioner and coordinated with our Lone Star State volunteers and non-profit partners to publicize why this is a very bad idea. The insurer dropped the proposal. We won!

Helping consumers make good buying choices

UP accepted an invitation from the Maryland Insurance Administration to comment on the draft of a new disclosure form that will be sent with every homeowner's insurance policy renewal or new policy. The goal is to explain options and promote good buying choices. UP has participated in helping draft standardized disclosure forms in California, Colorado and New York. Read our full comments online.

Two new UP Task Forces staffed by volunteers

UP's Wildland Urban Interface Zone Insurance Affordability and Availability Task Force includes retired insurance agents and UP Board member Sue Piper, a firestorm survivor and community leader. Read more online. UP's Long Term Care Insurance Task Force includes current and retired UP Board members Pam Schmitz and Larry Ginsburg and other Bay Area elder care and personal finance experts.

Championing policyholder rights in courts & where it counts

UP is a strong voice for insurance consumers in the media, academia, courts of law and legislatures across the U.S. We represent consumers at the National Association of Insurance Commissioners and recently wrapped up service as an Advisor to the American Law Institute's Restatement of the Law of Liability Insurance project.
