VIA ELECTRONIC MAIL

TO: All Admitted Insurance Companies (Life, Fraternal, P&C and Title)

SUBJECT: Supplemental Filing on Iran Related Investments - 2nd Quarter 2010

On February 10, 2010, Insurance Commissioner Steve Poizner sent a letter to all insurers holding a certificate of authority to transact insurance in California: (1) listing companies doing business with the Iranian energy, nuclear and defense sectors ("List"); (2) informing insurers of the treatment of investments in those companies on insurers' statutory financial statements; and (3) requesting a moratorium on future investments in companies on the List and their 50% or more owned affiliates.

A copy of the List is provided at the end of this letter. Also provided at the end of this letter is a supplemental list identifying an additional company doing business with the Iranian energy sector.

Effective March 31, 2010, the Department treats all insurer investments in companies on the Lists as non-admitted. At the request of insurers, the Department modifies its prior statement that investments in affiliates owned 50% or more by companies on the List will be disqualified. Statement disqualification will not apply to those affiliates. Statement disqualification will apply only to investments in the 51 companies on the Lists.

The Department of Insurance is informing your company of its quarterly and annual reporting requirement to provide a supplemental financial filing on Iran related investments. The Department of Insurance has developed an Iran Related Investments Supplemental Filing Workbook. Please complete and return the Workbook to the Department no later than: **AUGUST 15, 2010**. Instructions for retrieving the required forms are provided in the following section.
