**RE: Principle-Based Reserving - Life Annual Aggregate Assessment**

---

California Insurance Code (CIC) section 10489.992(b)(1) authorizes the Insurance Commissioner to annually assess each life insurance company, based on the company's gross annual life insurance premium written in California in the preceding year. The intent of the assessment is to defray the costs of principle-based reserving (PBR) valuation and provide a prudent reserve in the PBR fund.

Pursuant to CIC section 10489.992(b)(4), the Department has established an aggregate annual assessment for Fiscal Year (FY) 2021-22 of \$3,298,000, as well as the assessment tiers shown in the table below. The Department will invoice companies for FY 2021-22 based on this final tier table.

Insurer's 2020 Annual Premium	Annual Assessment Per Company
\$500,000,000+	\$169,000
400,000,001 - 500,000,000	106,000
300,000,001 - 400,000,000	78,000
200,000,001 - 300,000,000	50,000
150,000,001 - 200,000,000	37,000
100,000,001 - 150,000,000	27,000
50,000,001 - 100,000,000	18,000
