

2015 INSURER SUPPLIER DIVERSITY SURVEY QUICK LOOK

The Insurer Supplier Diversity (ISD) Survey requires each insurance company that collects \$100 million or more in California premiums to report on the company's procurement efforts from diverse businesses

NOTE: Please note that this document is a preliminary "quick look" at the 2015 Insurer Supplier Diversity Survey reports that have come in, as of August 24, 2015. This information is likely to change. The official reports and information will be posted on the California Department of Insurance website on September 30, 2015.

227 INSURANCE COMPANIES MET THE THRESHOLD TO REPORT

- **100% SUBMISSION RATE**
- **137** REPORTS SUBMITTED
 - **43** GROUP REPORTS: REPRESENTING **133** COMPANIES
 - **94** INDIVIDUAL COMPANY REPORTS
- **OF 137** REPORTS:
 - **76** COMPLETE REPORTS
 - **40** INCOMPLETE REPORTS
 - Main reasons:
 - No procurement information reported on charts
 - Did not report: Total Procurement Spend Overall in California (Overall spend = diverse + non-diverse suppliers)
 - Did not report: Total Diverse Spend by Ethnicity
 - **21** REPORTS: COMPANIES DO NOT PROCURE GOODS/SERVICES IN CALIFORNIA
