Re: 2014 Governing Board Diversity Survey

Dear Sir or Madam,

Enclosed please find the completed 2014 Governing Board Diversity Survey and related Affidavit, on behalf of State Farm Mutual Automobile Insurance Company. We wanted to provide additional clarification of the responses provided.

With respect to Part 1, Question 2, the survey requests data on demographic information. We have answered this question to the best of our ability. Our current board members and nominees who may be under consideration as board members are not requested to provide any such demographic information. Accordingly, we are reporting in response to the question based on observation only, to the best of our ability.

Further, the response to Part 1, Question 4, is answered with only non-employee directors in mind. With respect to Addendum A, both State Farm General Insurance Company (SF General) and State Farm Life Insurance Company (SF Life) are wholly-owned subsidiaries of State Farm Mutual Automobile Insurance Company (SF Mutual). Neither SF General nor SF Life has a public board of directors. Because of this, we have declined to complete Addendum A for these companies.

Sincerely yours,
