Scrubbing your vendor file

July 7, 2016
Salvador Peinado, Jr.

Scrubbing your vendor file

Initial steps:

- Determine who owns the vendor file
 - Accounts Payable
 - Procurement/Sourcing
- Identify what information you're currently collecting from vendors
- Place to store the new data
- Who owns the supplier relationship
 - LOB
 - Procurement/Sourcing

Organizations that can assist you:

- National Minority Supplier Development Council (NMSCD)
- Women's Business Enterprise National Council (WBENC)
- Financial Services Roundtable for Supplier Diversity (FSRSD)

Pricing varies by vendor and number of vendors in your file

Results back in about 3 weeks

Data you'll receive

Results of vendor scrub

Name	Address	Contact information
Gender	Ethnicity	Certifications
