INSURANCE DIVERSITY INITIATIVE

To Our Insurance Diversity Initiative Stakeholders:

I am writing to share a note of gratitude with you. Friday, February 3rd was my last day at the California Department of Insurance as Chief of Community Programs, and as one of the leaders of Insurance Commissioner Dave Jones' Insurance Diversity Initiative.

The opportunity to build the Initiative from the ground up six years ago and then watch it grow has been one of the most rewarding of my career. It catapulted me into the world of supplier and governing board diversity, and thus the opportunity to work with you - people who are dedicated to making positive impact through real and tangible economic opportunities. And I have truly enjoyed your stories along the way -- the call from X Insurance Company's first ever supplier diversity manager, the diverse business owner's first contract within the insurance industry, the success of a company's first ever supplier diversity fair. Thank you for your participation in these efforts and for your partnership with me and my team. I will tremendously miss working with you.

On my first day working on supplier diversity, I googled "supplier diversity." Six years later, I am so excited to say that - with you - we built a successful statewide initiative that is now generating real results (i.e. more contract opportunities for California's diverse suppliers) and that is now starting to impact diverse businesses

Multistate Insurance Diversity Survey Portal Link Feedback -

It has been over 2 months since the exciting launch of the new [Multistate Insurance Diversity Survey Portal](#) which houses all public information gathered as a result of the 2016 Multistate Insurance Diversity Survey (MIDS). If you have yet to visit our portal, you may access it on our [MIDS Results webpage](#). We encourage all our stakeholders to visit the portal and check it out!

Whether you have been using the portal for the past 2+ months, or today will be your first visit, we want to hear from you! Please take this opportunity to provide us with your personal experience using the portal. To do so, we created a [brief questionnaire: SurveyMonkey - Survey Portal Link Feedback](#) that allows you to rank and provide feedback on the different elements of the portal.

This is a request for feedback. Please share your questions, comments, and/or concerns with us at this time. If you are unable to fit all your comments within the survey, we invite you to reach out to us directly to share. All additional feedback can be submitted to diversity@insurance.ca.gov for review.

If you are unable to access the survey links above, please use this URL:

and this is not wanting to impact anyone's business nationally. I look forward to staying involved and making sure that I am now participating as an "IDI Stakeholder," as many of you have since Day One.

Please keep in touch. I am now serving as Deputy State Director for United States Senator Kamala Harris and would love to hear from you, for whatever the reason. My personal email is mvramil@gmail.com and my work email is Melanie_Ramil@harris.senate.gov, if there is any way we can work together in my new capacity.

Thank you again for giving me this amazing opportunity to work with you, learn from you, and grow an important program with you. It's been an exciting and enjoyable ride every step of the way.

With much gratitude,
Melanie
