The Group Policy is an approved Long Term Care Insurance Policy under California law and regulations. However, the benefits payable by the Group Policy will not qualify for Medi-Cal asset protection under the California Partnership for Long Term Care. For information about policies and certificates qualifying under the California Partnership for Long Term Care, call the Health Insurance Counseling and Advocacy Program at the toll-free number, 1 (800) 434-0222.

TAX CONSEQUENCES

NOTICE TO BUYER

This Group Policy may not cover all of the costs associated with long term care incurred by the buyer during the period of coverage. The buyer is advised to review carefully all Group Policy limitations.

CAUTION

The issuance of this long term care insurance Certificate is based upon Your responses to the questions on any Application You submit. A copy of Your Application(s), if any, will be provided to You. If Your answers are misstated or untrue, Genworth Life Insurance Company (called We, Us and Our in this Outline of Coverage) has the right to deny Benefits or rescind Your Coverage. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of Your answers are incorrect, contact Us at this address: the Administrative Office address shown above.

1. POLICY DESIGNATION

The Policy is a Group Policy issued in [the state of INSERT STATE].

2. PURPOSE OF THE OUTLINE OF COVERAGE

This Outline Of Coverage provides a very brief description of the important features of the Group Policy. You should compare this Outline Of Coverage to outlines of coverage for other policies available to You. This is not an insurance contract, but only a summary of coverage. Only the individual or group policy, and not the Outline Of Coverage, contains governing contractual provisions. This means that the individual or group policy sets forth in detail the rights and obligations of both You and Us. Therefore, if You purchase this Coverage, or any other coverage, it is important that You READ YOUR POLICY OR CERTIFICATE CAREFULLY!

3. TERMS UNDER WHICH THE CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED

[30]-Day Free Look Period: You have [30] days from the day You receive the Certificate to review and return it to Us at Our Administrative Office if You are not satisfied with it for any reason. All Premium and fees paid will be refunded directly to the payor within 30 days after: (a) return of the Certificate during this Free Look Period; or (b) Our denial of Your Application.

Unearned Premium Refunds: Unearned Premium will be refunded if Your Coverage ends due to death, surrender or cancellation.

4. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE

If You are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from Us. Neither We nor Our agents or producers represent Medicare, the federal government, or any state government.
5. LONG TERM CARE COVERAGE

Policies of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This Coverage reimburses You for covered long term care expenses You incur. It is subject to an Elimination Period, limitations, exclusions, and other provisions and conditions of the Group Policy.

6. BENEFITS PROVIDED

(a) Covered Services: Payment of institutional and non-institutional Benefits described below is subject to the provisions, conditions, limitations and exclusions of the Group Policy as restated in the issued Certificate. Once the Elimination Period has been satisfied, Benefits are available up to daily or monthly and annual maximums until the applicable Benefit limits are exhausted. Benefits are paid up to the applicable limits [for] [O80%][O100%][the selected percentage] of Your Covered Expenses. You will be responsible for the payment of any expenses not reimbursed by Your Coverage. The limits and features for Your Coverage are based on Your plan choices. [The Coverage Worksheet at the end of this Outline of Coverage is provided to record those choices.]

(b) Institutional Benefits: These pay for Covered Expenses incurred while confined in a Nursing Facility, Residential Care Facility, or Hospice Care Facility.

The Residential Care Facility Benefit pays up to [O100% O75%] [Your selected percentage] of the Nursing Facility Maximum.

Bed Reservation Benefits are available for temporary absences of up to 60 days per calendar year when room charges are covered in the facility.

(c) Non-Institutional Benefits: These include the following:

Privileged Care® Coordination Services are offered to assist in identifying care needs and community resources available to deliver care while You are Chronically Ill. When You choose to use these services they will be furnished by a Privileged Care Coordination team provided by Us at no cost to You.

The Home and Community Care Benefit covers services received at home and in the community for:

- Adult Day Care.
- Nurse and Therapist Services.
- Home Health Care or Personal Care Services and Homemaker Services from formal and informal providers. These providers may be nurse’s aides, home health aides, and other persons who provide care which is consistent with the needs addressed in Your Plan of Care. They can be independent; and do not need to be associated with an agency or provider organization.
- Non-Institutional Hospice Care (as part of a separate Hospice Care Benefit).

The Home and Community Care Benefit pays up to [O100% O75% O60% O50%] [Your selected percentage] of the Nursing Facility Maximum.

The Home Assistance Benefit covers: home modifications; assistive devices; supportive equipment; emergency medical response systems; and caregiver training. It pays up to a lifetime limit equal to 90 days/3 months of full Nursing Facility Benefits.

The Hospice Care Benefit covers services designed to provide palliative care and alleviate Your discomforts when You are both Chronically Ill and Terminally Ill. Benefits are payable up to: the Nursing Facility Maximum for care received in a covered facility; and the limit for the Home and Community Care Benefit when care is received while You are living at home.

The Respite Care Benefit provides short-term coverage to relieve the person who normally and primarily provides You with care in Your home on a regular, unpaid basis. It pays for up to 30 days per calendar year.

Requested Alternate Benefits may, subject to Our approval and mutual agreement, pay for Covered Expenses incurred for services, devices or treatments that are Qualified Long Term Care Services not specifically covered under another Benefit.

The Contingent Nonforfeiture Benefit gives You the right to reduce coverage or convert to limited paid-up Benefits in the event of a cumulative Premium increase that is considered to be substantial as stated in the Certificate.
Outline of Coverage

(d) Eligibility For The Payment Of Benefits: For You to be eligible for the payment of Benefits:
• You must be Chronically Ill;
• We must receive a Current Eligibility Certification for You; and
• We must receive ongoing proof which verifies that the Covered Care You receive is needed due to You continually being Chronically Ill.

Conditions: Benefits will only be paid as reimbursement for expenses paid on Your behalf only if all of the following conditions have been satisfied:
• You must meet the above Eligibility For The Payment Of Benefits requirements.
• The expenses must qualify as Covered Expenses.
• The Covered Care and related Covered Expenses must be consistent with and received pursuant to Your Plan of Care as prescribed by a Licensed Health Care Practitioner.
• Your Coverage must not have ended before the date(s) the Covered Care is received.
• Any applicable Elimination Period must be satisfied.
• You must not have exhausted the Coverage Maximum or any daily, monthly, annual or lifetime limits applicable to the specific Benefits being Claimed.
• You must meet the requirements for payment in accordance with all the provisions of Your Certificate.
• The care, service, cost or item for which Benefits are payable must meet the definition of Qualified Long Term Care Services.

Meaning Of Terms: The following definitions are being provided to assist You in understanding certain terms used in this Outline Of Coverage. The Certificate contains additional definitions not provided for in this Outline Of Coverage. The definition of any capitalized term in this Outline Of Coverage is provided for in the General Definitions section of the Certificate.

Activities of Daily Living means the following self-care functions: bathing (washing oneself); continence (control of bowel and bladder functions); dressing (putting on and taking off clothes and assistive devices); eating (taking nourishment); toileting (including performing associated personal hygiene tasks); and transferring (the ability to move in and out of a bed, chair or wheelchair).

Chronically Ill or Chronically Ill Individual refers to a person who has been certified by a Licensed Health Care Practitioner as:
• Being unable to perform, without Substantial Assistance from another individual, at least two (2) Activities of Daily Living due to a loss of functional capacity. In addition, this loss of functional capacity must be expected to exist for a period of at least 90 days; or
• Requiring Substantial Supervision to protect the person from threats to health and safety due to a Severe Cognitive Impairment.

Severe Cognitive Impairment is a loss or deterioration in intellectual capacity that: is comparable to (and includes) Alzheimer’s disease and similar forms of irreversible dementia; and is measured by clinical evidence and standardized tests that reliably measure impairment in the person’s: short-term or long term memory; orientation as to people, places or time; deductive or abstract reasoning; and judgment as it relates to safety awareness.

Substantial Assistance is either:
• Hands-on Assistance which is the physical assistance (minimal, moderate or maximal) of another person without which You would be unable to perform the Activity of Daily Living; or
• Standby Assistance which is the presence of another person within arm’s reach of You that is necessary to prevent, by physical intervention, injury to Yourself while You are performing the Activity of Daily Living.

Substantial Supervision is continual supervision (which may include cueing by verbal prompting, gestures, or other demonstrations) by another nearby person that is necessary to protect the severely cognitively impaired person from threats to his or her health or safety (such as may result from wandering).

Coverage means the Benefits You have under the Group Policy or Continuation Coverage as evidenced by Your Certificate.
Coverage Maximum means the maximum amount of Benefits under Your Coverage. The Coverage Maximum will change as described below and when You elect changes.

[Your Coverage Maximum is $__________ .]
[The attached Coverage Worksheet shows Your Coverage Maximum and describes how it and other maximums are affected by Benefit Increases.]
Outline of Coverage

Your Coverage Maximum and amounts based on the Nursing Facility Maximum are: (a) increased when Benefit Increases apply; and (b) exhausted only when the total of all Benefits paid equals the then applicable maximum amount. Benefit Increases that apply are not affected by any Benefits paid for Covered Expenses incurred prior to the date the applicable maximum is exhausted.

Covered Care means those Qualified Long Term Care Services for which Your Coverage pays Benefits or would pay Benefits in the absence of an Elimination Period or payment limits.

Covered Expenses means costs You incur for Covered Care. Each Benefit defines the Covered Expenses under that Benefit. An expense is considered to be incurred on the day on which the care, service or other item forming the basis for it is received by You.

A Current Eligibility Certification is a written certification by a Licensed Health Care Practitioner, who is not a member of Your Immediate Family, that You meet the above requirements for being Chronically Ill. The certification must be renewed and submitted to Us every 12 months.

Elimination Period means the length of time, beginning with the first day on which You incur a Covered Expense, before You are entitled to Benefits. Days used to satisfy the Elimination Period do not need to be consecutive; and can be accumulated over time. Once satisfied, You will never have to satisfy a new Elimination Period for Your Coverage.

Your Elimination Period is [______days of Covered Care.][______Calendar Days.] [as shown in the attached Coverage Worksheet.]

Nursing Facility Maximum means the maximum amount We will pay when You are Confined in a Nursing Facility. This may be a daily maximum or a monthly maximum, based on Your plan choice. This amount is also used to determine other Benefit maximums. The Nursing Facility Maximum is the maximum total amount payable for all Covered Expenses incurred (a) on a day when it is a daily maximum; or (b) in a calendar month when it is a monthly maximum. This limitation does not apply to Benefits that are not subject to a daily or monthly maximum.

Your Nursing Facility Maximum is [$_______ per day.][$_______ per calendar month.] [as shown in the attached Coverage Worksheet.]

Qualified Long Term Care Services means necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, and rehabilitative services and maintenance or personal care services which: (1) are required by a Chronically Ill Individual; and (2) are provided pursuant to a Plan of Care prescribed by a Licensed Health Care Practitioner.

This Benefit terminates four years after the date for which it first makes payment.]

[Optional] [Automatically Included] Nonforfeiture Benefit: This Benefit provides a continuation if Your Coverage ends due to non-payment of Premium after it has been in force for at least three years. Any Benefit Increases will cease; and the Coverage Maximum will be reduced to the greater of: (a) the sum of all Premium paid (and not waived under the Waiver of Premium Benefit) for Your Coverage; or (b) the amount equal to one month (30 days) of Benefits under the Nursing Facility Benefit in effect at the time Your Coverage ends. In no event will this amount exceed the unused Coverage Maximum at the time Your Coverage ends.

[Optional Shared Coverage Rider: When both You and Your Spouse or Partner named in Your Certificate's Schedule, have identical Certificates, if one person exhausts Benefits under his or her Coverage, he or she can continue coverage under the other person's Certificate. For purposes of this Rider, identical means that both Certificates must have the same Shared Coverage Rider form with the same plans, Benefit levels and Benefit options. We guarantee that sharing coverage will not reduce a person's coverage below 50% of its original Coverage Maximum. In addition, upon the death of one person, the survivor's available Coverage Maximum will be the total Coverage Maximum available to both persons at the time of death, considering all Claim payments; and Rider Premium ceases. When the Shared Coverage Rider includes Joint Waiver of

Premium, Premium for the Certificates of both persons will be waived when one person qualifies for the Waiver of Premium Benefit.

[Optional] [Automatically Included] [Waiver of Home Care Elimination Period: This provides that there is no Elimination Period for the Home and Community Care Benefit; and each day of Covered Care under that Benefit will count towards satisfying the Elimination Period.]

[Optional] [Automatically Included] [Waiver of Home Care and Informal Family Care Elimination Period: This provides that there is no Elimination Period for either the Home and Community Care Benefit or the Informal Care Benefit; and each day of Covered Care under those Benefits will count towards satisfying the Elimination Period.]

[Optional] [Automatically Included] [Restoration Benefit: This Benefit provides that once You Fully Recover as provided for in the Benefit, We will increase the amount of Your unused Coverage Maximum by the amount previously paid by Us that was not previously restored under this Benefit. For this Benefit to apply, You must continue Your Coverage, other than under any Nonforfeiture Benefit, for a period of 180 consecutive days during which You: have neither required, nor received, care or services that would qualify as Covered Care; have been able to continuously perform at least 5 Activities of Daily Living without any direct supervision or assistance; and have not had Severe Cognitive Impairment.]

[Optional] [Automatically Included] [Informal Family Care Benefit: This Benefit provides for the payment of Covered Expenses incurred for health and personal care assistance a member of Your Immediate Family provides to You in Your Home in accordance with Your Plan of Care, provided he or she: (a) did not reside with You in Your Home at the time You first satisfied the Eligibility For The Payment Of Benefits provisions; and (b) is not compensated, as an employee, by any organization that is paid to provide such assistance. Payment is subject to a calendar year total of 30 days with a daily maximum of: 25% of the Nursing Facility Maximum per day when daily Benefits apply; or 1% of the Nursing Facility Maximum per day when Benefits are payable on a calendar month basis. This Benefit will not be paid for any day for which payment is made under the Home and Community Care Benefit. Payment of this Benefit is subject to the Elimination Period unless the Waiver of Home Care Elimination Period also applies].

[Optional] [Automatically Included] [Transition Benefit: This Benefit provides for the payment of Covered Expenses incurred while the Elimination Period is being satisfied. It pays a lump sum equal to: 5 times the Nursing Facility Maximum when daily Benefits apply; or 20% of the Nursing Facility Maximum when monthly Benefits apply. Tax Considerations: Please note that payment of this Benefit may have tax implications. You are advised to review this Benefit with a qualified tax professional to determine any such tax impact.]

[Optional 10 Year Survivorship Benefit: This Benefit applies if You and Your named Spouse or Partner for this Benefit have been insured with Us for at least 10 years when one dies. In that event, this Benefit provides that no further Premium payments will be required for the survivor's coverage once We receive proof of death, if:
  • Both persons continuously had long term care insurance coverage in force with Us, other than under any Nonforfeiture Benefit, on the date of the deceased person’s death and for at least the prior 10 year period with no claim for long term care Benefits applicable to the first 10 years of such concurrent coverage; and
  • Both persons had coverage that included a similar 10 Year Survivorship Benefit for the entire period of concurrent coverage.]

[Optional Enhanced Survivorship Benefit: This Benefit applies if You and Your named Spouse or Partner for this Benefit have been insured with Us, for at least the Qualification Period when one dies. In that event, this Benefit provides that no further Premium payments will be required for the survivor's coverage once We receive proof of death, if:
  • Both persons continuously had long term care insurance coverage in force with Us, other than under any Nonforfeiture Benefit, on the date of the deceased person’s death and for at least the prior Qualification Period; and
  • Both persons had coverage that included a similar Enhanced Survivorship Benefit for the entire period of concurrent coverage.

The Qualifying Period is [10 years O 7 years.] [as shown in the Coverage Worksheet.]
7. EXCLUSIONS AND LIMITATIONS

[There are no exclusions or limitations for pre-existing conditions disclosed on Your Application. Any incorrect or omitted material information in Your Application for Coverage, or any increase in Coverage, may cause the Coverage that becomes effective as a result of Your Application to be rescinded (voided) or a Claim to be denied, as stated in the Misstatements/Incontestability provision of Your Certificate.]

[Pre-Existing Conditions Limitation: We will not pay for Covered Expenses incurred for any care or confinement that is a result of a Pre-Existing Condition when the care or Confinement occurs within six (6) months following Your initial Certificate Effective Date.

A Pre-Existing Condition means a condition (illness, disease, injury or symptom) for which medical advice or treatment was recommended by, or received from, a Health Care Professional within six (6) months prior to Your initial Certificate Effective Date. A Health Care Professional includes anyone who is: a Physician; a Nurse; a physician assistant; a physical, occupational, speech or respiratory therapist; a chiropractor; an acupuncturist; a homeopathic doctor; or a Licensed Health Care Practitioner.]

[If You were required to answer questions about Your health as part of Your Application, this Pre-Existing Conditions Limitation will not apply to You.]

Non-eligible Facilities/Providers: A Nursing Facility, Residential Care Facility or Hospice Care Facility must meet the applicable definition stated in Your Certificate in order to qualify for Coverage.

Non-eligible Levels of Care: Coverage is not based on the specific level of care; but is for care furnished for a specific covered reason, by or through the covered facilities and providers. Care from Immediate Family members is covered only when specifically indicated.

Exclusions/Exceptions and Limitations: We will not pay Benefits for any Covered Care:

• [for which no charge is normally made in the absence of insurance;]
• [provided outside the fifty (50) United States, the District of Columbia, and any territory of the United States of America; unless specifically provided for by a Benefit;]
• [provided by Your Immediate Family, unless: specifically covered by a Benefit; or he or she is paid as a regular employee of the organization that provides the services to You;]
• [provided by, or in, a Veteran’s Administration or Federal government facility, unless a valid charge is made to You or Your estate;]
• [resulting from illness, treatment or medical condition arising out of any of the following:
  • [war or any act of war, whether declared or not;]
  • [attempted suicide or an intentionally self-inflicted injury;]
  • [participation in a felony, riot, or insurrection;]
  • [service in the armed forces or units auxiliary thereto;]
• [provided directly for Your alcoholism or addiction to drugs or narcotics (except for an addiction to a prescription medication when administered in accordance with the advice of a physician).]

Non-Duplication: Benefits will be paid only for Covered Expenses that are in excess of the amount paid or payable under:
• Medicare (including amounts that would be reimbursable but for the application of a deductible or coinsurance amount); and
• [Any State or Federal workers’ compensation, employer’s liability or occupational disease law;]
• Any other Federal, state or other government health or long term care program, [(including the Community Living Assistance Services and Supports Act - CLASS Act )], or law except Medicaid (Medi-Cal in California).

This Non-Duplication provision will not disqualify a Covered Expense from being used to satisfy any Elimination Period requirement.

[Coordination with Other Coverage: We will reduce the amount of Benefits We will pay for Covered Expenses when the total amount payable under this and all Other Long Term Care coverage is greater than the actual Covered Expense You incur for Covered Care.]
Outline of Coverage

THE POLICY MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.

8. RELATIONSHIP OF COST OF CARE AND BENEFITS

Because the costs of long term care services will likely increase over time, You should consider whether and how the Benefits of Your Coverage may be adjusted. Benefit levels will not increase over time unless the plan You purchase provides Benefit Increases. Unless otherwise described, these increases: will be automatic; will not require proof of good health; will be made without a corresponding increase in Premium; and will continue without regard to Your age, claim status or claim history, or length of time You have been insured.

Benefit Increases cease when: (a) the applicable maximum has been exhausted; (b) they are terminated by You; (c) Your Coverage ends; or (d) Your Coverage is continued under any Nonforfeiture Benefit, if applicable.

If You do not purchase a Benefit Increases option at initial issue, You may need to provide proof of good health to later increase coverage. Available increase options are described below. They are followed by a graphic comparison of the Benefit levels of coverage that increase Benefits over time with coverage that does not increase Benefits. A similar graphic comparison illustrates Premium for those coverages at a given issue age.
