THIS POLICY IS AN APPROVED LONG-TERM CARE INSURANCE CONTRACT UNDER CALIFORNIA LAW AND REGULATIONS. HOWEVER, THE BENEFITS PAYABLE BY THIS CONTRACT WILL NOT QUALIFY FOR MEDI-CAL ASSET PROTECTION UNDER THE CALIFORNIA PARTNERSHIP FOR LONG-TERM CARE. Caution: The issuance of a long-term care insurance contract is based upon your responses to the questions on the application. A copy of the application will be enclosed with the contract. If your answers are incorrect or untrue, we have the right to deny benefits or rescind your contract. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of your answers are incorrect, contact us at the address or toll-free telephone number listed above.

Notice to Owner: The contract may not cover all of the costs associated with long-term care, which may be incurred during the period of coverage. You are advised to periodically review the contract in relation to the changes in the cost of long-term care and carefully review all limitations.

1. The contract will be an individual contract of insurance issued by the Knights of Columbus. The contract will meet the minimum requirements for long-term care in the state or territory in which you reside.
2. **PURPOSE OF OUTLINE OF COVERAGE.** This outline of coverage provides a very brief description of the important features of the contract. You should compare this outline of coverage to outlines of coverage for other contracts available to you. This is not an insurance contract, but only a summary of coverage. Only the individual contract contains governing contractual provisions. This means that the contract sets forth in detail your rights and obligations and our rights and obligations. Therefore, if you purchase this coverage, or any other coverage, it is important that you **READ THE CONTRACT CAREFULLY!**

3. TERMS UNDER WHICH THE CONTRACT MAY BE RETURNED AND PREMIUM REFUNDED.

(a) Right to Cancel: You may cancel the contract within 30 days of receiving it by returning it to us at One Columbus Plaza, New Haven, Connecticut 06510 or to the agent from whom it was purchased. As soon as you deliver or mail the contract, it is void from the start and we will refund all premium payments within 30 days.

(b) Return of Unearned Premium: The proceeds payable at your death will be the sum of any premium paid beyond the month in which you die.

4. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE. If you are eligible for Medicare, review the Medicare Supplement Buyer's Guide available from the Knights of Columbus.

Neither the Knights of Columbus nor its agents represent Medicare, the federal government or any state government.

5. QUALIFIED LONG-TERM CARE COVERAGE. Policies of this category are designed to provide necessary diagnostic, preventive, therapeutic, curing, treating, mitigating and rehabilitative services, and maintenance or personal care services that are required by a Chronically Ill Individual, and provided pursuant to a Plan of Care prescribed by a Licensed Health Care Practitioner.

The contract provides coverage on an expense incurred basis for Qualified Long-Term Care Services, subject to the Maximum Monthly Benefit, the Maximum Lifetime Benefit, the Lifetime Elimination Period and all contract provisions.

3. Chronically Ill Individual: Any individual who has been certified pursuant to a plan of care by a Licensed Health Care Practitioner as being unable to perform without Substantial Assistance from another individual at least two of the six Activities of Daily Living for a period expected to last at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision to protect the individual from threats to health and safety due to Severe Cognitive Impairment.
4. Lifetime Elimination Period: The consecutive number of days for which you must meet the benefit eligibility requirements of the contract before we will begin to make payments. This Lifetime Elimination Period has to be satisfied only once while the contract is in force. Once you have satisfied the Lifetime Elimination Period, any further functional or cognitive impairment for the same or other condition covered by the contract will be covered immediately.

For home and community-based benefits, your Lifetime Elimination Period will be reduced by half, if you follow a plan of care prescribed by one of our approved Care Managers.

 - Treatment provided outside the United States or its territories.

THE CONTRACT MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG-TERM CARE NEEDS.

8. RELATIONSHIP OF COST OF CARE AND BENEFITS. Because the costs of long-term care services will likely increase over time, you should consider whether and how the benefits of the contract may be adjusted.

The contract provides an optional 5% Compound Benefit Increase Rider at issue. If purchased, your Maximum Monthly Benefit amount will increase at a rate of 5% compounded annually, for each year that coverage remains continuously in force. The increase amount will be based on the Maximum Monthly Benefit amount currently in effect and will automatically become effective on each Annual Contract Date. Your unused Maximum Lifetime Benefit will also increase by 5% on each Annual Contract Date.

This contract also provides a Guaranteed Purchase Option described on page 7.

* This graph assumes no claim activity. It also assumes that the benefit levels have not been increased by the contract's Guaranteed Purchase Option provision.

9. **TERMS UNDER WHICH THE CONTRACT MAY BE CONTINUED IN FORCE OR DISCONTINUED.**

(a) **RENEWABILITY: THE CONTRACT IS GUARANTEED RENEWABLE.** The contract may be kept in force during your lifetime by paying premiums when due, subject to your Maximum Lifetime Benefit. The Knights of Columbus cannot change any of the terms of your contract on its own, except that, in the future, WE MAY INCREASE THE PREMIUM YOU PAY. We may change the premium rates, but only if the changes apply to all contracts in the same class as yours in your state on this contract form. If a new rate applies, the new premiums will be based on your original issue age.

(b) **Waiver of Premium:** After you have satisfied your Lifetime Elimination Period, you will not be required to pay premiums due in order to keep the contract in force as long as you continue to be eligible for benefits. Once benefit eligibility ceases, premium payments must begin again if the contract is to remain in force.

10. ALZHEIMER'S DISEASE, ORGANIC DISORDERS AND RELATED MENTAL DISEASES.

The contract pays a benefit if you are a Chronically Ill Individual due to Severe Cognitive Impairment resulting from Alzheimer's Disease, organic disorders, or related degenerative and dementing illnesses.

12. ADDITIONAL FEATURES.

- (a) Medical Underwriting: The contract will be issued based on your answers to the questions on the application and any additional information that may be needed to complete the evaluation process.
- (b) Membership: If the applicant ceases to be a member of the Order, you may keep the contract in force by making the required premium payments.
- (c) Shared Care Benefit Option: If elected, we will name your spouse as a secondary insured under the contract. Your spouse must have purchased an identical contract and identical riders and named you as secondary insured for that contract.
- (d) Guaranteed Purchase Option: If there is no 5% Compound Benefit Increase Rider attached to the contract, we will periodically offer you the option to increase your Maximum Monthly Benefit and Maximum Lifetime Benefit and notify you of the additional required premium and what you must do to obtain the increase.
