

CA DEPARTMENT OF INSURANCE

CONSUMER OUTREACH

TRAIN-THE-TRAINER

Attend a **FREE** webinar to better inform our community.

The CA Department of Insurance looks forward to working with your agency/organization to share our “Insurance Essentials” outreach toolkits. The information and materials can be shared with organizations, businesses, families and individuals. Learn how!

YOU WILL LEARN:

- How to detect & protect from common types of insurance fraud.
- Basic insurance, including renter’s, health, homeowners, and auto.
- How insurance can protect people, property, and businesses from losses and unexpected costs.
