Part 3

Description of Expense Element (by Type)	NEW	Detailed Description of Expense Allocation Methods
1	2	3
1. Incurred Claims		
Paid Claims - Adjudicated claim activity for fee for service claims from source system		Transactions are allocated to legal entity, state, product, and group size (where applicable) directly from policyholder/member information obtained during case installation.
Change in IBNR - Incurred but not reported claim activity (IBNR) for service claims not yet adjudicated for current and prior periods		Reserves for IBNR are developed using historical fee for service claims development triangles at a legal entity, state, product, and group size (where applicable) level.
Capitation - Payments to benefit care providers and clinical risk bearing entities (as defined in HHS Guidance) for patient services		Capitation payments recorded to legal entity, state, product, and group size based on actual membership (group) within these aggregations who have access to these services.
Provider settlements - Provider settlement costs for specifically known and identified in-network and out-of-network provider settlements paid/payable/reserve due		Settlement expenses is allocated to legal entity, state, product, and group size in the following manner: Paid and known payables are based on membership, while the IBNR component is allocated based on paid claims, or there is a direct charge, and no allocation is required.
State Assessments		Assessments is calculated and allocated to the legal entity, state, product, and group size for which the assessment applies. Allocation based on legal entity, state, product, and group size membership or fee for service claim experience, depending on assessment type.
2. Federal and State Taxes and Licenses or Regulatory Fees		
2.a Federal taxes and assessments		
Federal Income Tax		Federal income tax, excluding tax on investment income and the MLR rebate, is allocated across each state and column (line of business) based on the respective portion of pre-tax income or loss to the issuer's total pre-tax income or loss.
Other Federal Taxes (other than income tax) and assessments deductible from premium		Other taxes are booked to the legal entity or are included in the management fees paid to the contract company. They are allocated within the legal entity to the various states and columns based on membership, revenue, or largest financial cross section depending on the legal entity.
2.b State insurance, premium and other taxes		
State income, excise, business, and other taxes		State income tax (where applicable), excluding tax on the MLR rebate, is allocated first to states that impose income tax and then to the columns (line of business) based on the respective portion of pre-tax income or loss to the issuer's total pre-tax income or loss in that state.
State premium taxes		Premium tax (where applicable), excluding premium tax on the MLR rebate, is calculated based on member status and reconfigured to be reported based on employer status.
2.c Community benefit expenditures		
Community Benefit Expenditures		Not applicable.
2.d Regulatory authority licenses and fees		
Regulatory authority licenses and fees		Regulatory authority licenses and fees are direct charges incurred by the legal entity from various regulatory agencies. These expenses are recorded to the legal entity charged and then allocated within the legal entity to the various states and columns based on membership, revenue, or largest.
3. Non-Claims costs		
3.a Direct sales salaries and benefits		
Direct sales salaries and benefits		Direct sales salaries and benefits are part of the management fees paid to the contract company. Direct sales salaries and benefits were allocated to each state and column through multiple divers which include programs, employees, revenue, selling, general, and administrative expenses, and
3.b Agents and brokers fees and commissions		
Agents and brokers fees and commissions		Agents and brokers fees and commissions expenses are booked at the various states and columns based on policy level information and/or membership.
3.c Other taxes		
Other Taxes		Other taxes are direct charges incurred by the legal entity. These expenses are booked to the legal entity charged and then allocated within the legal entity to the various states and columns based on membership, revenue, or largest financial aggregation depending on the legal entity.
3.d Other general and administrative expenses		
Other general and administrative expenses		Other general and administrative expenses are part of vendor services paid either to the regulated entities contract company, UnitedHealth Group Incorporated (UnitedHealth Group) affiliates or non affiliated external vendor. Management fee other general and administrative expenses were
