RE: Aetna-Humana

Dear Commissioner Jones:

This serves as a letter of support from the San Diego County Hispanic Chamber of Commerce (SDCHCC) for the Aetna-Humana proposed merger.

Aetna has been a committed supporter of SDCHCC; they have brought valuable information and awareness on health products that have been of great benefit to the San Diego area. Partnering with Humana would only create more diversity and opportunities for the people of our community.

We are in favor of this merger and support the continued enhancement, to an already thriving company. On behalf of SDCHCC's Board of Directors and our valued members we extend our resources in helping Aetna-Humana to reach our goal.

Respectfully,

Albert Clark,

Chairman of the Board

SDCHCC
