RE: CVS Health and Aetna Transaction

Dear Commissioner Jones:

I am writing to you in regards to the CVS Health and Aetna proposed transaction. I have had the opportunity to work with Aetna on several impactful community projects. The positive relationship we have with Aetna demonstrate their continued commitment to the people they serve. I am excited about the possible partnership with CVS Health. Together, they will be able to serve millions of people every day, impacting their health for the better.

I support this transaction and believe it will benefit the residents of California and specifically the residents of the City of Pico Rivera.

If you need additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Gustavo V. Camacho".
