## **INTRODUCTION TO THE BLUE SHIELD LIFE PPO PLAN**

If you have questions about your Benefits, contact the Plan before Hospital or medical Services are received.

This Plan is designed to reduce the cost of health care to you, the Insured. In order to reduce your costs, much greater responsibility is placed on you.

You should read your Certificate carefully. Your Certificate tells you which services are covered by your health Plan and which are excluded. It also lists your Copayment and Coinsurance responsibilities.

When you need health care, present your Blue Shield Life I.D. card to your Physician, Hospital, or other licensed healthcare provider. Your I.D. card has your Subscriber and group numbers on it. Be sure to include these numbers on all claims you submit to Blue Shield Life.

In order to receive the highest level of Benefits, you should assure that your provider is a Preferred Provider (see the "Blue Shield Life Network of Preferred Providers" section).

You are responsible for following the provisions shown in the Benefits Management Program section of this booklet, including:

1. You or your Physician must obtain the Plan's approval at least 5 working days before Hospital or Skilled Nursing Facility admissions for all non-Emergency Inpatient Hospital or Skilled Nursing Facility Services, or obtain prior approval from the Mental Health Service Administrator (MHSA) for all non-Emergency Inpatient Mental Health and substance abuse Services. (See the "Blue Shield Life Network of Preferred Providers" section for information.)
2. You or your Physician must notify the Plan (or the MHSA in the case of mental health or substance abuse Services) within 24 hours or by the end of the first business day following Emergency admissions, or as soon as it is reasonably possible to do so.
3. You or your Physician must obtain prior authorization in order to determine if contemplated services are covered. See "Prior Authorization" in the "Benefits Management Program" section for a listing of services requiring prior authorization.

Failure to meet these responsibilities may result in your incurring a substantial financial liability. Some services may not be covered unless prior review and other requirements are met.

Note: Blue Shield Life or the MHSA will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Insured within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously

jeopardize the life or health of an Insured or when the Insured is experiencing severe pain, Blue Shield Life will respond as soon as possible to accommodate the Insured's condition not to exceed 72 hours from receipt of the request.

**PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.**

## **BLUE SHIELD LIFE NETWORK OF PREFERRED PROVIDERS**

The Preferred Plan is specifically designed for you to use the Blue Shield Life Network of Preferred Providers. Preferred Providers include certain Physicians, Hospitals, Alternate Care Services Providers, and other Providers. Preferred Providers are listed in the Preferred Provider directories.

The California Department of Insurance has regulations that establish access standards for a plan's provider network in California. For purposes of these provider network access standards, the service area for this Plan is the State of California.

To determine whether a provider is a Preferred Provider, consult the Preferred Provider Directory. You may also verify this information by accessing Blue Shield's Internet site located at <http://www.blueshieldca.com>, or by calling Customer Service at the telephone number provided on the last page of this Certificate. Note: A Preferred Provider's status may change. It is your obligation to verify whether the Physician, Hospital or Alternate Care Services provider you choose is a Preferred Provider, in case there have been any changes since your Preferred Provider directory was published.

Note: In some instances services are covered only if rendered by a Preferred Provider. Using a Non-Preferred Provider could result in lower or no payment by Blue Shield for services.

Blue Shield Life's Network of Preferred Providers agrees to accept the Plan's payment, plus your payment of any applicable deductibles, Copayments, Coinsurance, or amounts in excess of specified Benefit maximums, as payment-in-full for covered Services, except as provided under the Exception for Other Coverage provision and in the Reductions section regarding Third Party Liability. This is not true of Non-Preferred Providers.

You are not responsible to Participating and Preferred Providers for payment for covered Services, except for the Copayments, Coinsurance and amounts in excess of specified Benefit maximums, and except as provided under the Exception for Other Coverage provision and in the Reductions section regarding Third Party Liability.

Blue Shield Life contracts with Hospitals and Physicians to provide Services to Insureds for specified rates. This contractual arrangement may include incentives to manage all

Services provided to Insureds in an appropriate manner consistent with the policy. If you want to know more about this payment system, contact Customer Service at the number provided on the back page of this booklet.

If you go to a Non-Preferred Provider, the Plan's payment for a Service by that Non-Preferred Provider may be substantially less than the amount billed. You are responsible for the difference between the amount the Plan pays and the amount billed by Non-Preferred Providers. It is therefore to your advantage to obtain medical and Hospital Services from Preferred Providers.

Payment for Emergency Services rendered by a physician or hospital who is not a Preferred Provider will be based on the Allowable Amount but will be paid at the Preferred level of benefits. You are responsible for notifying the Plan within 24 hours, or by the end of the first business day following emergency admission at a Non-Preferred Hospital, or as soon as it is reasonably possible to do so.

For all Mental Health and substance abuse Services: The MHSA is a specialized health care service plan that will underwrite and deliver the Plan's Mental Health and substance abuse Services through a separate network of Mental Health Service Administrator (MHSA) Participating Providers.

Note that MHSA Participating Providers are only those Providers who participate in the MHSA network and have contracted with the MHSA to provide Mental Health and substance abuse Services to Insureds. A Blue Shield Life Network Preferred/Participating Provider may not be an MHSA Participating Provider. MHSA Participating Providers agree to accept the MHSA's payment, plus your payment of any applicable deductible, Copayment or Coinsurance, or amounts in excess of Benefit maximums specified, as payment-in-full for covered Mental Health and substance abuse Services. This is not true of MHSA Non-Participating Providers; therefore, it is to your advantage to obtain Mental Health and substance abuse Services from MHSA Participating Providers.

It is your responsibility to ensure that the Provider you select for Mental Health and substance abuse Services is an MHSA Participating Provider. MHSA Participating Providers are indicated in the Behavioral Health Provider Directory. Additionally, Insureds may contact the MHSA directly for information on, and to select an MHSA Participating Provider by calling 1-877-214-2928.

Directories of Preferred Providers located in your area have been provided to you. Extra copies are available from the Plan. If you do not have the directories, please contact the Plan immediately and request them at the telephone number provided on the back page of this Certificate.

---

## **CONTINUITY OF CARE BY A TERMINATED PROVIDER**

Insureds who are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate post-

partum care), or terminal illness; or who are children from birth to 36 months of age; or who have received authorization from a now-terminated provider for surgery or another procedure as part of a documented course of treatment can request completion of care in certain situations with a provider who is leaving the Blue Shield Life provider network. Contact Customer Service to receive information regarding eligibility criteria and the policy and procedure for requesting continuity of care from a terminated provider.

---

## **FINANCIAL RESPONSIBILITY FOR CONTINUITY OF CARE SERVICES**

If an Insured is entitled to receive Services from a terminated provider [or a non-contracting provider] under [either of] the preceding Continuity of Care provision[s], the responsibility of the Insured to that provider for Services rendered under the Continuity of Care provision[s] shall be no greater than for the same Services rendered by a Preferred Provider in the same geographic area.

---

## **SUBMITTING A CLAIM FORM**

Preferred Providers submit claims for payment after their Services have been received. You or your Non-Preferred Providers also submit claims for payment after Services have been received.

You are paid directly by the Plan if Services are rendered by a Non-Preferred Provider. Payments to you for covered Services are in amounts identical to those made directly to providers. See section on Notice and Proof of Claim in this Certificate for information on filing a claim if a provider has not billed the Plan directly. Blue Shield Life will notify you of its determination within 30 days after receipt of the claim.

[\*Note: If the Insured's employer is not subject to the Employee Retirement Income Security Act of 1974 (ERISA) and any subsequent amendments to ERISA, the Insured may assign payment to the Non-Preferred Provider who then will receive payment directly from Blue Shield Life.]

## **ELIGIBILITY**

If you are an Employee, you are eligible for coverage as an Insured the day following the date you complete the waiting period established by your Employer. Your spouse or Domestic Partner and all your Dependent children are eligible at the same time.

When you decline coverage for yourself or your Dependents during the initial enrollment period and later request enrollment, you and your Dependents will be considered to be Late Enrollees. When Late Enrollees decline enrollment during the initial enrollment period they will be eligible the earlier of 12 months from the date of the request for enrollment or at the Employer's next Open Enrollment Period and shall be subject to a six-month Pre-Existing Condition

exclusion. Blue Shield Life will not consider applications for earlier effective dates.

You and your Dependents will not be considered to be Late Enrollees if either you or your Dependents lose coverage under a previous employer's Plan and you apply for coverage under this Plan within 31 days of the date of loss of coverage. You will be required to furnish the Plan written proof of the loss of coverage.

Newborn infants of the Subscriber, spouse, or his or her Domestic Partner will be eligible immediately after birth for the first 31 days. A child placed for adoption will be eligible immediately upon the date the Subscriber, spouse or Domestic Partner has the right to control the child's health care. Enrollment requests for children who have been placed for adoption must be accompanied by evidence of the Subscriber's, spouse's or Domestic Partner's right to control the child's health care. Evidence of such control includes a health facility minor release report, a medical authorization form or a relinquishment form. In order to have coverage continue beyond the first 31 days without lapse, an application must be submitted to and received by the Plan within 31 days from the date of birth or placement for adoption of such Dependent.

A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship, if an application is submitted within 31 days of becoming eligible.

You may add newly acquired Dependents and yourself to the Plan by submitting an application within 31 days from the date of acquisition of the Dependent:

1. to continue coverage of a newborn or child placed for adoption;
2. to add a Spouse after marriage or add a Domestic Partner after establishing a domestic partnership;
3. to add yourself and Spouse following the birth of a newborn or placement of a child for adoption;
4. to add yourself and Spouse after marriage;
5. to add yourself and your newborn or child placed for adoption, following birth or placement for adoption.

A completed health statement may be required with the application. Coverage is never automatic; an application is always required.

If both partners in a marriage or domestic partnership are eligible to be Subscribers, children may be eligible and may be enrolled as a Dependent of either parent, but not both.

Enrolled Dependent children who would normally lose their eligibility under this Plan solely because of age, but who are incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness, or condition, may have their eligibility extended under the following conditions: (1) the child must be chiefly dependent upon the Employee for support and maintenance, and (2) the Employee must submit a Physician's written certifica-

tion of such disabling condition. Blue Shield Life or the Employer will notify you at least 90 days prior to the date the Dependent child would otherwise lose eligibility. You must submit the Physician's written certification within 60 days of the request for such information by the Employer or by the Plan. Proof of continuing disability and dependency must be submitted by the Employee as requested by Blue Shield Life but not more frequently than 2 years after the initial certification and then annually thereafter.

The Employer must meet specified Employer eligibility, participation and contribution requirements to be eligible for this Group Policy. See your Employer for further information.

Subject to the requirements described under the Continuation of Group Coverage provision in this Certificate, if applicable, an Employee and his or her Dependents will be eligible to continue group coverage under this Plan when coverage would otherwise terminate.

## EFFECTIVE DATE OF COVERAGE

Coverage will become effective for Employees and Dependents who enroll during the initial enrollment period at 12:01 a.m. Pacific Time on the eligibility date established by your Employer.

If, during the initial enrollment period, you have included your eligible Dependents on your application to Blue Shield Life, their coverage will be effective on the same date as yours. If application is made for Dependent coverage within 31 days after you become eligible, their effective date of coverage will be the same as yours.

If you or your Dependent is a Late Enrollee, your coverage will become effective the earlier of 12 months from the date you made a written request for coverage or at the Employer's next Open Enrollment Period and shall be subject to a six-month Pre-Existing Condition exclusion. Blue Shield Life will not consider applications for earlier effective dates.

If you declined coverage for yourself and your Dependents during the initial enrollment period because you or your Dependents were covered under another employer Plan, and you or your Dependents subsequently lost coverage under that plan, you will not be considered a Late Enrollee. Coverage for you and your Dependents under this Plan will become effective on the date of loss of coverage, provided you enroll in this Plan within 31 days from the date of loss of coverage. You will be required to furnish the Plan written evidence of loss of coverage.

If you declined enrollment during the initial enrollment period and subsequently acquire Dependents as a result of marriage, establishment of domestic partnership, birth, or placement for adoption, you may request enrollment for yourself and your Dependents within 31 days. The effective date of enrollment for both you and your Dependents will depend on how you acquire your Dependent(s):

1. For marriage, or domestic partnership, the effective date will be the first day of the first month following receipt of your request for enrollment;
2. For birth, the effective date will be the date of birth;
3. For a child placed for adoption, the effective date will be the date the Subscriber, Spouse or Domestic Partner has the right to control the child's health care.

Once each Calendar Year, your Employer may designate a time period as an annual Open Enrollment Period. During that time period, you and your Dependents may transfer from another plan sponsored by your Employer to the Preferred Plan. A completed enrollment form must be forwarded to Blue Shield Life within the Open Enrollment Period. Enrollment becomes effective on the anniversary date of this Plan following the annual Open Enrollment Period.

Any individual who becomes eligible at a time other than during the annual Open Enrollment Period (e.g., newborn, child placed for adoption, child acquired by legal guardianship, new spouse or Domestic Partner, newly hired or newly transferred Employees) must complete an enrollment form within 31 days of becoming eligible.

Coverage for a newborn child will become effective on the date of birth. Coverage for a child placed for adoption will become effective on the date the Subscriber, spouse or Domestic Partner has the right to control the child's health care, following submission of evidence of such control (a health facility minor release report, a medical authorization form or a relinquishment form). In order to have coverage continue beyond the first 31 days without lapse, a written application must be submitted to and received by the Plan within 31 days. A Dependent spouse becomes eligible on the date of marriage. A Domestic Partner becomes eligible on the date a domestic partnership is established as set forth in the Definitions section of this booklet. A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship.

If a court has ordered that you provide coverage for your spouse, Domestic Partner or Dependent child, under your health benefit plan, their coverage will become effective within 31 days of presentation of a court order by the district attorney, or upon presentation of a court order or request by a custodial party, as described in Section 3751.5 of the Family Code.

If you or your Dependents voluntarily discontinued coverage under this Plan and later request reinstatement, you or your Dependents will be covered the earlier of 12 months from the date of request for reinstatement or at the Employer's next Open Enrollment Period.

If this Plan provides Benefits within 60 days of the date of discontinuance of the previous group Plan that was in effect with your Employer:

1. you and all your Dependents who were validly covered under the previous group plan on the date of discontinuance will be eligible under this Plan except that,

2. if you or your Dependents were enrolled in the previous group plan for less than 6 months and were Totally Disabled on the date of discontinuance of the previous group plan and were entitled to an extension of Benefits under Section 1399.62 of the California Health and Safety Code or Section 10128.2 of the California Insurance Code, you or your Dependents will not be entitled to any Benefits under this Plan for Services or expenses directly related to any condition which caused such Total Disability for a period not to exceed 6 months. The Plan will credit the time you or your Dependents were covered under the prior Creditable Coverage toward this Plan's Pre-existing Condition exclusion.

## **RENEWAL OF GROUP POLICY**

Blue Shield Life will offer to renew the Group Policy except in the following instances:

1. non-payment of premiums (see "Termination of Benefits", and "Reinstatement, Cancellation and Rescission Provisions");
2. fraud, misrepresentations or omissions;
3. failure to comply with Blue Shield Life's applicable eligibility, participation or contribution rules;
4. termination of plan type by Blue Shield Life;
5. Employer relocates outside of California;
6. association membership ceases.

All groups will renew subject to the above.

## **PREMIUMS**

The monthly Premiums for you and your Dependents are indicated in your employer's group Policy. The initial Premiums are payable on the effective date of this group Policy, and subsequent Premiums are payable on the same date (called the transmittal date) of each succeeding month. Premiums are payable in full on each transmittal date and must be made for all Subscribers and Dependents.

All Premiums required for coverage for you and your Dependents will be handled through your Employer, and must be paid to Blue Shield Life. Payment of Premiums will continue the Benefits of this group Policy up to the date immediately preceding the next transmittal date, but not thereafter.

The Premiums payable under this Plan may be changed from time to time, for example, to reflect new Benefit levels. Your Employer will receive notice from the Plan of any changes in Premiums at least 60 days prior to the change. Your Employer will then notify you immediately.

Note: This paragraph does not apply to a Subscriber who is enrolled under a Policy where monthly Premiums automatically increase, without notice, the first day of the month following an age change that moves the Subscriber into the next higher age category.

## PLAN CHANGES

The Benefits of this Plan, including but not limited to Covered Services, Deductible, Copayment, and annual copayment maximum amounts, are subject to change at any time. Blue Shield Life will provide at least 60 days' written notice of any such change.

Benefits for Services or supplies furnished on or after the effective date of any change in Benefits will be provided based on the change.

## SERVICES FOR EMERGENCY CARE

The Benefits of this Plan will be provided for covered Services received anywhere in the world for the emergency care of an illness or injury.

Insureds who reasonably believe that they have an emergency medical condition which requires an emergency response are encouraged to appropriately use the "911" emergency response system where available.

## UTILIZATION REVIEW

State law requires that insurers disclose to Insureds and providers the process used to authorize or deny health care services under the Plan.

The Plan has completed documentation of this process ("Utilization Review"), as required under Section 10123.135 of the California Insurance Code.

To request a copy of the document describing this Utilization Review process, call the Plan's Customer Service Department at the number provided on the last page of this Certificate.

## SECOND MEDICAL OPINION POLICY

If you have a question about your diagnosis, or believe that additional information concerning your condition would be helpful in determining the most appropriate plan of treatment, you may make an appointment with another Physician for a second medical opinion. Your attending Physician may also offer to refer you to another Physician for a second opinion.

Remember that the second opinion visit is subject to all Plan policy Benefit limitations and exclusions.

## RETAIL-BASED HEALTH CLINICS

Retail-based health clinics are Outpatient facilities, usually attached or adjacent to retail stores, pharmacies, etc., which provide limited, basic medical treatment for minor health issues. They are staffed by nurse practitioners under the direction of a Physician and offer services on a walk-in basis. Covered Services received from retail-based health clinics will be paid on the same basis and at the same Benefit levels as other covered Services shown in the Summary of Benefits. Retail-based health clinics may be found in the Preferred Provider Directory or the Online Physician Directory located at <http://www.blueshieldca.com>. See the Blue Life Network of Preferred Providers section for information on the advantages of choosing a Preferred Provider.

## BENEFITS MANAGEMENT PROGRAM

The Plan has established the Benefits Management Program to assist you, your Dependents or provider in identifying the most appropriate and cost-effective course of treatment for which certain Benefits will be provided under this Plan and for determining whether the services are Medically Necessary. However, you, your Dependents and provider make the final decision concerning treatment. The Benefits Management Program includes: prior authorization review for certain services; emergency admission notification; Hospital Inpatient review; discharge planning; and case management if determined to be applicable and appropriate by the Plan.

Certain portions of the Benefits Management Program also contain additional and reduced payment requirements for either not contacting the Plan or not following the Plan's recommendations. Failure to contact the Plan for authorization of services listed in the sections below or failure to follow the Plan's recommendations may result in reduced payment or non-payment if the Plan determines the service was not a covered Service. Please read the following sections thoroughly so you understand your responsibilities in reference to the Benefits Management Program. Remember that all provisions of the Benefits Management Program also apply to your Dependents.

The Plan requires prior authorization for selected Inpatient and Outpatient services, supplies and Durable Medical Equipment; PKU related formulas and Special Food Products; admission into an approved Hospice Program; and certain radiology procedures. Preadmission review is required for all Inpatient Hospital and Skilled Nursing Facility services (except for Emergency Services\*).

\*See the paragraphs entitled Emergency Admission Notification later in this section for notification requirements.

By obtaining prior authorization for certain services or pre-admission review prior to receiving services, you and your provider can verify: (1) if the Plan considers the proposed treatment Medically Necessary, (2) if Plan Benefits will be provided for the proposed treatment, and (3) if the proposed setting is the most appropriate as determined by the Plan. You and your provider may be informed about Services that could be performed on an Outpatient basis in a Hospital or Outpatient Facility.

---

## PRIOR AUTHORIZATION

For services and supplies listed in the section below, you or your provider can determine before the service is provided whether a procedure or treatment program is a Covered Service and may also receive a recommendation for an alternative Service. Failure to contact the Plan as described below or failure to follow the recommendations of the Plan for Covered Services will result in a reduced payment per procedure as described in the section entitled Additional and Reduced Payments for Failure to Use the Benefits Management Program.

For Services other than those listed in the sections below, you, your Dependents or provider should consult the Principal Benefits and Coverages (Covered Services) section of this booklet to determine whether a service is covered.

You or your Physician must call the customer service number noted on the back of your identification card for prior authorization for the services listed in this section except for the Outpatient radiological procedures described in item 12. below. For prior authorization for Outpatient radiological procedures, you or your Physician must call 1-888-642-2583.

The Plan requires prior authorization for the following services:

1. Admission into an approved Hospice Program as specified under Hospice Program Benefits in the Covered Services section.
2. Clinical Trial for Cancer Benefits.

Insureds who have been accepted into an approved clinical trial for cancer as defined under the Covered Services section must obtain prior authorization from Blue Shield Life in order for the routine patient care delivered in a clinical trial to be covered.

Failure to obtain prior authorization or to follow the recommendations of Blue Shield Life for Hospice Program Benefits and Clinical Trial for Cancer Benefits above will result in non-payment of services by Blue Shield Life.

3. Select injectable drugs administered in the physician office setting.\*

\*Prior authorization is based on Medical Necessity, appropriateness of therapy, or when effective alternatives are available.

Note: Your Preferred or Non-Preferred Physician must obtain prior authorization for select injectable drugs administered in the physician's office. Failure to obtain prior authorization or to follow the recommendations of Blue Shield Life for select injectable drugs may result in non-payment by Blue Shield Life if the service is determined not to be a covered Service; in that event you may be financially responsible for services rendered by a Non-Preferred Physician.

4. Home Health Care Benefits from Non-Preferred Providers.
5. Home Infusion/Home Injectable Therapy Benefits from Non-Preferred Providers.
6. Durable Medical Equipment Benefits, including but not limited to motorized wheelchairs, insulin infusion pumps, and CPAP (Continuous Positive Air Pressure) machines.

 CT (Computerized Tomography) scans, MRIs (Magnetic Resonance Imaging), MRAs (Magnetic Resonance Angiography), PET (Positron Emission Tomography) scans, and any cardiac diagnostic procedure utilizing Nuclear Medicine.

Other specific services and procedures may require prior authorization as determined by Blue Shield Life. A list of services and procedures requiring prior authorization can be obtained by your provider by going to [www.blueshieldca.com](http://www.blueshieldca.com) or by calling the customer service number noted on the back of your identification card.

## **HOSPITAL AND SKILLED NURSING FACILITY ADMISSIONS**

Prior authorization must be obtained from the Plan for all Hospital and Skilled Nursing Facility admissions (except for admissions required for Emergency Services). Included are Hospitalizations for continuing Inpatient Rehabilitation and skilled nursing care, transplants, bariatric surgery, and Inpatient Mental Health or substance abuse Services described later in this section.

### **Prior Authorization for Other than Mental Health or Substance Abuse Admissions**

Whenever a Hospital or Skilled Nursing Facility admission is recommended by your Physician, you or your Physician must contact the Plan at the customer service number noted on the back of your identification card at least 5 business days prior to the admission. However, in case of an admis-

sion for Emergency Services, the Plan should receive Emergency Admission Notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so. Blue Shield Life will discuss the Benefits available, review the medical information provided and may recommend that to obtain the full Benefits of this Plan that the Services be performed on an Outpatient basis.

Examples of procedures that may be recommended to be performed on an Outpatient basis if medical conditions do not indicate Inpatient care include:

1. Biopsy of lymph node, deep axillary;
2. Hernia repair, inguinal;
3. Esophagogastroduodenoscopy with biopsy;

5. Repair of tendon;
6. Heart catheterization;

Failure to contact the Plan as described or failure to follow the recommendations of the Plan will result in an additional payment per admission as described in the Additional and Reduced Payments for Failure to Use the Benefits Management Program section or may result in reduction or non-payment by Blue Shield Life if it is determined that the admission is not a covered Service.\*

\*Note: for admissions for Special Transplant Benefits and for Bariatric Services for Residents of Designated Counties, failure to receive prior authorization in writing and/or failure to have the procedure performed at a Blue Shield Life-designated facility will result in non-payment of services by Blue Shield Life. See Transplant Benefits and Bariatric Surgery Benefits for Residents of Designated Counties in California under the Covered Services section for details.

### **Prior Authorization for Inpatient Mental Health or Substance Abuse Services, and Outpatient Partial Hospitalization and Outpatient ECT Services**

All Inpatient Mental Health and substance abuse Services and Outpatient psychiatric Partial Hospitalization and Outpatient ECT Services, except for Emergency Services, must be prior authorized by the Mental Health Service Administrator (MHSA).

For an admission for Emergency Mental Health or substance abuse Services, the MHSA should receive emergency admission notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so, or the Insured may be responsible for the additional payment as described above.

For prior authorization of Inpatient Mental Health and substance abuse Services and Outpatient psychiatric Partial

Hospitalization and Outpatient ECT Services, call the MHSA at 1-877-214-2928.

Failure to contact the Plan or the MHSA as described above or failure to follow the recommendations of the Plan will result in an additional payment per admission as described in the Additional and Reduced Payments for Failure to Use the Benefits Management Program section or may result in reduction or non-payment by the Plan or the MHSA if it is determined that the admission is not a covered Service. For Outpatient psychiatric Partial Hospitalization and Outpatient ECT Services, failure to contact Blue Shield Life or the MHSA as described above or failure to follow the recommendations of Blue Shield Life will result in non-payment of services by Blue Shield Life.

Note: Blue Shield Life or the MHSA will render a decision on all requests for prior authorization within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Insured within 2 business days of the decision. For urgent services in situations in which the routine decision making process might seriously jeopardize the life or health of an Insured or when the Insured is experiencing severe pain, Blue Shield Life will respond as soon as possible to accommodate the Insured's condition not to exceed 72 hours from receipt of the request.

---

### **EMERGENCY ADMISSION NOTIFICATION**

If you are admitted for Emergency Services, the Plan should receive Emergency Admission Notification within 24 hours or by the end of the first business day following the admission, or as soon as it is reasonably possible to do so, or you may be responsible for the additional payment as described under the Additional and Reduced Payments for Failure to Use the Benefits Management Program section.

---

### **HOSPITAL INPATIENT REVIEW**

The Plan monitors Inpatient stays. The stay may be extended or reduced as warranted by your condition, except in situations of maternity admissions for which the length of stay is 48 hours or less for a normal, vaginal delivery or 96 hours or less for a Cesarean section unless the attending Physician, in consultation with the mother, determines a shorter Hospital length of stay is adequate. Also, for mastectomies or mastectomies with lymph node dissections, the length of Hospital stays will be determined solely by your Physician in consultation with you. When a determination is made that the Insured no longer requires the level of care available only in an Acute Care, written notification is given to you and your Doctor of Medicine. You will be responsible for any Hospital charges Incurred beyond 24 hours of receipt of notification.

---

### **DISCHARGE PLANNING**

If further care at home or in another facility is appropriate following discharge from the Hospital, the Plan will work with

the Physician and Hospital discharge planners to determine whether benefits are available under this Plan to cover such care.

---

## **CASE MANAGEMENT**

The Benefits Management Program may also include care management, which provides assistance in making the most efficient use of Plan Benefits. Individual case management may also arrange for alternative care Benefits in place of prolonged or repeated hospitalizations, when it is determined to be appropriate through a Plan review. Such alternative care Benefits will be available only by mutual consent of all parties and, if approved, will not exceed the Benefit to which you would otherwise have been entitled under this Plan. The Plan is not obligated to provide the same or similar alternative Benefits to any other person in any other instance. The approval of alternative Benefits will be for a specific period of time and will not be construed as a waiver of the Plan's right to thereafter administer this Plan in strict accordance with its express terms.

## **ADDITIONAL AND REDUCED PAYMENTS FOR FAILURE TO USE THE BENEFITS MANAGEMENT PROGRAM**

For non-emergency Services, additional payments may be required, or payments may be reduced, as described below, when a Subscriber or Dependent fails to follow the procedures described under the Prior Authorization and Hospital and Skilled Nursing Facility Admissions sections of the Benefits Management Program. These additional payments will be required in addition to any applicable Calendar Year deductible, Copayment, Coinsurance, and amounts in excess of Benefit dollar maximums specified and will not be included in the calculation of the Insured's Maximum Calendar Year Copayment responsibility.

1. Failure to contact the Plan as described under the Prior Authorization for Other than Mental Health or Substance Abuse Admissions section of the Benefits Management Program or failure to follow the recommendations of the Plan will result in an additional payment per Hospital or Skilled Nursing Facility admission as described below or may result in reduction or non-payment by the Plan if it is determined that the admission is not a covered Service.
  - \*\$250 per Hospital or Skilled Nursing Facility admission

\*Only one \$250 Additional Payment will apply to each Hospital admission for failure to follow the Benefits Management Program notification requirements or recommendations.
2. Failure to contact the MHSA for Inpatient Services as described under the Prior Authorization for Mental Health or Substance Abuse Services and Outpatient Partial Hospitalization and Outpatient ECT Services section

of the Benefits Management Program or failure to follow the recommendations of the MHSA will result in an additional payment per admission as described below or may result in reduction or non-payment by the MHSA if it is determined that the admission is not a covered Service.

- \*\$250 per Hospital admission for Inpatient Care for diagnosis or treatment of Mental Health conditions;
  - \*\$1,000 per Hospital admission for the diagnosis or treatment of substance abuse, other than Inpatient substance abuse medical detoxification, if your Plan provides Inpatient Benefits for the treatment of substance abuse.
3. Failure to obtain Prior Authorization or to follow the recommendations of the Plan for covered, Medically Necessary enteral formulas and Special Food Products for the treatment of phenylketonuria (PKU) will result in a 50% reduction in the amount payable by the Plan after the calculation of the deductible and any applicable Copayments or Coinsurance required by this Plan. You will be responsible for the applicable deductibles and/or Copayments or Coinsurance and the additional 50% of the charges that are payable under this Plan.
  4. Failure to obtain prior authorization for the radiological procedures listed in the Benefits Management Program section under Prior Authorization or to follow the recommendations of the Plan will result in reduced payment amounts described below per procedure and may result in non-payment for procedures which are determined not to be covered Services.
    - For covered Services that are not authorized in advance, the amount payable will be reduced by 50% after the calculation of the deductible and any applicable Copayments or Coinsurance required by this Plan. You will be responsible for the remaining 50% and applicable deductible and/or Copayments or Coinsurance.
    - For Services provided by a Non-Preferred Provider, the Insured will also be responsible for all charges in excess of the Allowable Amount.

## **DEDUCTIBLE**

---

### **CALENDAR YEAR DEDUCTIBLE (MEDICAL PLAN DEDUCTIBLE)**

The Calendar Year per Insured deductible amounts are shown in the Summary of Benefits. After the Calendar Year deductible is satisfied for those Services to which it applies, Benefits will be provided for covered Services. This deductible must be made up of charges covered by the Plan. Charges in excess of the Allowable Amount do not apply toward the deductible. The deductible must be satisfied once during each Calendar Year by or on behalf of each

Insured separately. Note: The Deductible also applies to a newborn child or a child placed for adoption, who is covered for the first 31 days, even if application is not made to add the child as a Dependent on the Plan. The Calendar Year deductible does not count toward the Maximum Calendar Year Copayment responsibility.

---

## SERVICES NOT SUBJECT TO THE DEDUCTIBLE

The Calendar Year deductible applies to all covered Services Incurred during a Calendar Year except for certain Services as listed in the Summary of Benefits.

---

## PRIOR CARRIER DEDUCTIBLE CREDIT

If you satisfied all or part of a medical deductible under a health plan sponsored by your Employer's plan under any of the following circumstances, that amount will be applied to the medical deductible required under this Plan.

1. You were enrolled in a health plan sponsored by your Employer with a prior carrier during the same Calendar Year this Plan becomes effective and you are enrolling on the original effective date of this Plan;
2. You were enrolled under another Blue Shield Life plan sponsored by the same Employer which is being replaced by this Plan;
3. You were enrolled under another Blue Shield Life plan sponsored by the same Employer and are transferring to this Plan during your Employer's open enrollment period.

Note: This Prior Carrier Deductible Credit provision applies only in the circumstances described above and not in any other circumstances.

## NO INSURED MAXIMUM LIFETIME BENEFIT

There is no maximum limit on the aggregate payments by the Plan for covered Services provided under the Plan.

## NO ANNUAL DOLLAR LIMIT ON ESSENTIAL BENEFITS

This Plan contains no annual dollar limits on essential benefits as defined by federal law.

## PAYMENT

The Insured's Copayment and Coinsurance amounts, applicable deductibles, and copayment maximum amounts for covered Services are shown in the Summary of Benefits. The Summary of Benefits also contains information on benefit and Copayment/Coinsurance maximums and restrictions.

Complete benefit descriptions may be found in the Principal Benefits and Coverages (Covered Services) section. Plan exclusions and limitations may be found in the Principal

Limitations, Exceptions, Exclusions and Reductions section.

## Out-of-Area Program

Benefits will be provided for covered Services received outside of California within the United States. Blue Shield Life calculates the Insured's Copayment either as a percentage of the Allowable Amount or a dollar Copayment, as defined in this Certificate. When Covered Services are received in another state, the Insured's Copayment will be based on the local Blue Cross and/or Blue Shield plan's arrangement with its providers. See the BlueCard Program section in this booklet.

If you do not see a Participating Provider through the BlueCard Program, you will have to pay for the entire bill for your medical care and submit a claim form to the local Blue Cross Blue and/or Shield plan or to Blue Shield Life for payment. Blue Shield Life will notify you of its determination within 30 days after receipt of the claim. Blue Shield Life will pay you at the Non-Preferred Provider Benefit level. Remember, your Copayment is higher when you see a Non-Preferred Provider. You will be responsible for paying the entire difference between the amount paid by Blue Shield Life and the amount billed.

Charges for Services which are not covered, and charges by Non-Preferred Providers in excess of the amount covered by the Plan, are the Insured's responsibility and are not included in Copayment calculations.

To receive the maximum Benefits of your Plan, please follow the procedure below.

When you require covered Services while traveling outside of California:

1. call *BlueCard Access*<sup>®</sup> at 1-800-810-BLUE (2583) to locate Physicians and Hospitals that participate with the local Blue Cross and/or Blue Shield plan, or go online at [www.bcbs.com](http://www.bcbs.com) and select the "Find a Doctor or Hospital" tab; and,
2. visit the Participating Physician or Hospital and present your membership card.

The Participating Physician or Hospital will verify your eligibility and coverage information by calling *BlueCard Eligibility* at 1-800-676-BLUE. Once verified and after Services are provided, a claim is submitted electronically and the Participating Physician or Hospital is paid directly. You may be asked to pay for your applicable Copayment and Plan Deductible at the time you receive the service.

You will receive an Explanation of Benefits which will show your payment responsibility. You are responsible for the Copayment and Plan Deductible amounts shown in the Explanation of Benefits.

Prior authorization is required for all Inpatient Hospital Services and notification is required for Inpatient Emergency Services. Prior authorization is required for selected Inpatient and Outpatient Services, supplies and Durable

Medical Equipment. To receive prior authorization from Blue Shield Life, the out-of-area provider should call the customer service number noted on the back of your identification card.

If you need Emergency Services, you should seek immediate care from the nearest medical facility. The Benefits of this Plan will be provided for covered Services received anywhere in the world for emergency care of an illness or injury.

### **Care for Covered Urgent Care and Emergency Services Outside the United States**

Benefits will also be provided for covered Services received outside of the United States through the BlueCard Worldwide® Network. If you need urgent care while out of the country, call either the toll-free *BlueCard Access* number at 1-800-810-2583 or call collect at 1-804-673-1177, 24 hours a day, seven days a week. In an emergency, go directly to the nearest hospital. If your coverage requires precertification or prior authorization, you should call Blue Shield Life at the customer service number noted on the back of your identification card. For inpatient hospital care at participating hospitals, show your I.D. card to the hospital staff upon arrival. You are responsible for the usual out-of-pocket expenses (non-covered charges, Deductibles, and Copayments).

When you receive services from a physician, you will have to pay the doctor and then submit a claim. Also for Inpatient hospitalization, if you do not use the BlueCard Worldwide Network, you will have to pay the entire bill for your medical care and submit a claim form (with a copy of the bill) to Blue Shield Life.

Before traveling abroad, call your local Customer Service office for the most current listing of participating Hospitals world-wide or you can go on-line at [www.bcbs.com](http://www.bcbs.com) and select "Find a Doctor or Hospital".

### **BlueCard Program**

Blue Shield Life has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees") referred to generally as "Inter-Plan Programs." Whenever you obtain healthcare services outside of California, the claims for these services may be processed through one of these Inter-Plan Programs.

When you access Covered Services outside of California you may obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Plan"). In some instances, you may obtain care from non-participating healthcare providers. Blue Shield's payment practices in both instances are described below.

Under the BlueCard® Program, when you obtain Covered Services within the geographic area served by a Host Plan, Blue Shield Life will remain responsible for fulfilling our

contractual obligations. However the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

The BlueCard Program enables you to obtain Covered Services outside of California, as defined, from a healthcare provider participating with a Host Plan, where available. The participating healthcare provider will automatically file a claim for the Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the member copayment and deductible amounts, if any, as stated in this Certificate of Insurance.

Whenever you access Covered Services outside of California and the claim is processed through the BlueCard Program, the amount you pay for covered healthcare services, if not a flat dollar copayment, is calculated based on the lower of:

1. The billed covered charges for your covered services; or
2. The negotiated price that the Host Plan makes available to Blue Shield Life.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Plan pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or under-estimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price Blue Shield Life uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

Claims for Covered Emergency Services are paid based on the Allowable Amount as defined in this Certificate of Insurance.

### **MAXIMUM CALENDAR YEAR COPAYMENT RESPONSIBILITY**

1. The per Insured maximum Copayment responsibility each Calendar Year for covered Services\* rendered by Preferred Providers, MHSA Participating Providers,

and Other Providers is shown in the Summary of Benefits.

2. The per Insured maximum Copayment responsibility each Calendar Year for covered Services\* rendered by any combination of Preferred Providers, Non-Preferred Providers, MHSA Participating and Non-Participating Providers, and Other Providers is shown in the Summary of Benefits.

Once an Insured's maximum responsibility has been met\*, the Plan will pay 100% of the Allowable Amount for that Insured's covered Services for the remainder of that Calendar Year, except as described below.

\*Note: Certain Services and amounts are not included in the calculation of the Maximum Calendar Year Copayment. These items are shown in the Summary of Benefits.

Charges for Services which are not covered, charges above the Allowable Amount, charges in excess of the amount covered by the Plan, and Reduced Payments Incurred under the Benefit Management Program are the Insured's responsibility and are not included in the Maximum Calendar Year Copayment Responsibility.

Charges for these items may cause an Insured's payment responsibility to exceed the maximums.

Copayments, Coinsurance and charges for Services not accruing to the Insured's Maximum Calendar Year Copayment Responsibility continue to be the Insured's responsibility after the Calendar Year Copayment Maximum is reached.

## **PRINCIPAL BENEFITS AND COVERAGES (COVERED SERVICES)**

Benefits are provided for the following Medically Necessary covered Services, subject to applicable deductibles, Copayments and Coinsurance, and charges in excess of Benefit maximums, Preferred Provider provisions, and Benefits Management Program provisions. Coverage for these Services is subject to all terms, conditions, limitations and exclusions of the Policy, to any conditions or limitations set forth in the benefit descriptions below, and to the Principal Limitations, Exceptions, Exclusions and Reductions listed in this Certificate. If there are two or more Medically Necessary services that may be provided for the illness, injury or medical condition, Blue Shield Life will provide Benefits based on the most cost-effective service.

The Copayments and Coinsurance, if applicable, are shown in the Summary of Benefits.

Note: Except as may be specifically indicated, for Services received from Non-Preferred and Non-Participating Providers Insureds will be responsible for all charges above the Allowable Amount in addition to the indicated dollar or percentage Insured Copayment.

Except as specifically provided herein, services are covered only when rendered by an individual or entity that is li-

censed or certified by the state to provide health care services and is operating within the scope of that license or certification.

This benefit excludes dental procedures and Services of a dentist or oral surgeon.

Note: Reconstructive Surgery is covered when there is no other more appropriate covered surgical procedure, and with regards to appearance, when Reconstructive Surgery offers more than a minimal improvement in appearance. For coverage of prosthetic devices incident to a mastectomy, see Reconstructive Surgery under Professional (Physician) Benefits. Benefits will be provided in accordance with guidelines established by the Plan and developed in conjunction with plastic and reconstructive surgeons.

For Insureds who reside in a designated county, failure to obtain prior written authorization as described above and/or failure to have the procedure performed at a Preferred Bariatric Surgery Services Hospital by a Preferred Bariatric Surgery Services Physician will result in denial of claims for this benefit.

Note: Services for follow-up bariatric surgery procedures, such as lap-band adjustments, must be provided by a Preferred Bariatric Surgery Services Physician, whether per-

formed in a Preferred Bariatric Surgery Services Hospital, a qualified Ambulatory Surgery Center, or in the Preferred Bariatric Services Physician's office.

### **MEDICAL NECESSITY EXCLUSION**

The Benefits of this Plan are intended only for services that are Medically Necessary. Because a Physician or other provider may prescribe, order, recommend, or approve a service or supply does not, in itself, make it Medically Necessary even though it is not specifically listed as an exclusion or limitation. The Plan reserves the right to review all claims to determine if a service or supply is Medically Necessary. The Plan may use the services of Doctor of Medicine consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims. The Plan may limit or exclude benefits for services which are not necessary.

---

### **PRE-EXISTING CONDITIONS**

Pre-existing Conditions are covered immediately if you were validly covered under your present Employer's previous group health plan when that plan was terminated and are enrolled on the original effective date of this Plan within 63 days of the termination of that previous plan, except that,

If you or your Dependents were enrolled in the previous group health plan for less than 6 months and were Totally Disabled on the date of discontinuance of the previous group health plan and were entitled to an extension of benefits under Section 1399.62 of the California Health and Safety Code or Section 10128.2 of the California Insurance Code, you or your Dependents will not be entitled to any benefits under this Plan for ser-

vices or expenses directly related to any condition which caused such Total Disability for a period not to exceed 6 months. The Plan will credit the time you or your Dependents were covered under the prior Creditable Coverage toward this Plan's Pre-existing Condition exclusion.

If you or any Dependent was not validly covered under your present Employer's previous group health plan, then coverage under this Plan is provided for Pre-existing Conditions only after you have been continuously covered for 6 consecutive months including your present Employer's waiting period, if any.

However, if you or your Dependents had prior Creditable Coverage and you enrolled in this Plan within 63 days after termination (exclusive of any waiting period) of the prior Creditable Coverage or within 180 days (exclusive of the waiting period) if your prior Creditable Coverage was Employer-sponsored, then the Plan will credit the time you or your Dependents were covered under the prior Creditable Coverage toward this Plan's Pre-existing Condition exclusion.

To receive credit for your prior Creditable Coverage, submit to Blue Shield Life a certificate from your prior employer, insurer, or health plan which shows the period of time you were covered under the prior Creditable Coverage. If you are unable to obtain the certificate, you should contact the Plan's Customer Service area for assistance.

This Plan's Pre-existing Condition exclusion does not apply to:

1. pregnancy Benefits;
2. newborns or children placed for adoption who had prior Creditable Coverage within 30 days of the birth, or placement for adoption, who enrolled in this Plan within 63 days of that prior Creditable Coverage (exclusive of any waiting period);
3. Insureds under the age of 19.

### **LIMITATIONS FOR DUPLICATE COVERAGE**

**When you are eligible for Medicare**

1. Your Blue Shield Life group plan will provide benefits before Medicare in the following situations:
  - a. When you are eligible for Medicare due to age, if the subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws).
  - b. When you are eligible for Medicare due to disability, if the subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws).
  - c. When you are eligible for Medicare solely due to end stage renal disease during the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
2. Your Blue Shield Life group plan will provide benefits after Medicare in the following situations:
  - a. When you are eligible for Medicare due to age, if the subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws).
  - b. When you are eligible for Medicare due to disability, if the subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws).
  - c. When you are eligible for Medicare solely due to end stage renal disease after the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
  - d. When you are retired and age 65 years or older.

When your Blue Shield Life group plan provides benefits after Medicare, the combined benefits from Medicare and your Blue Shield Life group plan may be lower but will not exceed the Medicare allowed amount. Your Blue Shield Life group plan Deductible and Copayments will be waived.

### **When you are eligible for Medi-Cal**

Medi-Cal always provides benefits last.

### **When you are a qualified veteran**

If you are a qualified veteran your Blue Shield Life group plan will pay the reasonable value or Blue Shield Life's Allowable Amount for covered services provided to you at a Veteran's Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, your Blue Shield Life group plan will pay the reasonable value or Blue Shield Life's Allowable Amount for covered services provided to you at a Department of Defense facility, even if provided for conditions related to military service.

### **When you are covered by another government agency**

If you are also entitled to benefits under any other federal or state governmental agency, or by any municipality, county or other political subdivision, the combined benefits from that coverage and your Blue Shield Life group plan will equal, but not exceed, what Blue Shield Life would have paid if you were not eligible to receive benefits under that coverage (based on the reasonable value or Blue Shield Life's Allowable Amount).

Contact the Customer Service department at the telephone number shown at the end of this document if you have any questions about how Blue Shield Life coordinates your group plan benefits in the above situations.

### **EXCEPTION FOR OTHER COVERAGE**

Participating Providers and Preferred Providers may seek reimbursement from other third party payers for the balance of their reasonable charges for Services rendered under this Plan.

---

### **CLAIMS REVIEW**

The Plan reserves the right to review all claims to determine if any exclusions or other limitations apply. The Plan may use the services of Physician consultants, peer review committees of professional societies or Hospitals and other consultants to evaluate claims.

## REDUCTIONS— THIRD-PARTY LIABILITY

If an Insured is injured or becomes ill due to the act or omission of another person (a “third party”), Blue Shield Life shall, with respect to Services required as a result of that injury, provide the Benefits of the Plan and have an equitable right to restitution, reimbursement or other available remedy to recover the amounts Blue Shield Life paid for Services provided to the Insured on a fee-for-service basis from any recovery (defined below) obtained by or on behalf of the Insured, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

Blue Shield Life’s right to restitution, reimbursement or other available remedy is against any recovery the Insured receives as a result of the injury or illness, including any amount awarded to or received by way of court judgment, arbitration award, settlement or any other arrangement, from any third party or third party insurer, or from uninsured or underinsured motorist coverage, related to the illness or injury (the “Recovery”), without regard to whether the Insured has been “made whole” by the Recovery. Blue Shield Life’s right to restitution, reimbursement or other available remedy is with respect to that portion of the total Recovery that is due Blue Shield Life for the Benefits it paid in connection with such injury or illness, calculated in accordance with California Civil Code section 3040.

The Insured is required to:

1. Notify Blue Shield Life in writing of any actual or potential claim or legal action which such Insured expects to bring or has brought against the third party arising from the alleged acts or omissions causing the injury or illness, not later than 30 days after submitting or filing a claim or legal action against the third party; and,
2. Agree to fully cooperate with Blue Shield Life to execute any forms or documents needed to enable Blue Shield Life to enforce its right to restitution, reimbursement or other available remedies; and

3. Agree in writing to reimburse Blue Shield Life for Benefits paid by Blue Shield Life from any Recovery when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from uninsured or underinsured motorist coverage; and,
4. Provide Blue Shield Life with a lien, in the amount of Benefits actually paid. The lien may be filed with the third party, the third party’s agent or attorney, or the court, unless otherwise prohibited by law; and,
5. Periodically respond to information requests regarding the claim against the third party, and notify Blue Shield Life, in writing, within ten (10) days after any Recovery has been obtained.

An Insured's failure to comply with 1 through 5, above, shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield Life .

Further, if the Insured receives services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from the Insured the difference between the amount paid by Blue Shield Life and the Hospital’s reasonable and necessary charges for such services when payment or reimbursement is received by the Insured for medical expenses. The Hospital’s right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (“ERISA”), THE INSURED IS ALSO REQUIRED TO DO THE FOLLOWING:

1. Ensure that any Recovery is kept separate from and not comingled with any other funds or the Insured’s general assets and agree in writing that the portion of any Recovery required to satisfy the lien or other right of Recovery of the plan is held in trust for the sole benefit of the plan until such time it is conveyed to Blue Shield Life;

2. Direct any legal counsel retained by the Insured or any other person acting on behalf of the Insured to hold that portion of the Recovery to which the plan is entitled in trust for the sole benefit of the plan and to comply with and facilitate the reimbursement to the plan of the monies owed it.

## **TERMINATION OF BENEFITS AND CANCELLATION PROVISIONS**

---

### **TERMINATION OF BENEFITS**

Except as specifically provided under the Extension of Benefits provision, and, if applicable, the Continuation of Group Coverage provision, there is no right to receive benefits for Services provided following termination of this Plan.

Coverage for you or your Dependents terminates at 11:59 p.m. Pacific Time on the earliest of these dates: (1) the date the Group Policy is discontinued, (2) the first day of the month following the month in which the Subscriber's employment terminates, unless a different date has been agreed to between the Plan and your Employer, (3) the date as indicated in the Notice Confirming Termination of Coverage that is sent to the Employer (see "Cancellation for Non-Payment of Premiums – Notices"), or (4) on the first day of the month following the month in which you or your Dependents become ineligible. A spouse also becomes ineligible following legal separation from the Subscriber, entry of a final decree of divorce, annulment or dissolution of marriage from the Subscriber. A Domestic Partner becomes ineligible upon termination of the domestic partnership.

If you cease work because of retirement, disability, leave of absence, temporary layoff or termination, see your Employer about possibly continuing group coverage. Also see the Individual Conversion Plan provision, and, if applicable, the Continuation of Group Coverage provision in this booklet for information on continuation of coverage.

If your employer is subject to the California Family Rights Act of 1991 and/or the federal Family & Medical Leave Act of 1993, and the approved leave of absence is for family leave under the terms of such Act(s), your payment of Premiums will keep your coverage in force for such period of time as specified in such Act(s). Your employer is solely responsible for notifying you of the availability and duration of family leaves.

Blue Shield Life may terminate your and your Dependent's coverage for cause immediately upon written notice to you and your Employer for the following:

1. Material information that is false, or misrepresented information provided on the enrollment application or given to your Employer or Blue Shield Life; see the

Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact provision;

2. Permitting use of your Subscriber identification card by someone other than yourself or your Dependents to obtain Services;
3. Obtaining or attempting to obtain Services under the group policy by means of false, materially misleading, or fraudulent information, acts or omissions;
4. Abusive or disruptive behavior which (1) threatens the life or well-being of Plan personnel and providers of Services, or (2) substantially impairs the ability of the Plan to arrange for services to the Insured, or, (3) substantially impairs the ability of providers of Service to furnish Services to the Insured or to other patients.

If a written application for the addition of a newborn or a child placed for adoption is not submitted to and received by Blue Shield Life within the 31 days following that Dependent's effective date of coverage, Benefits under this Plan will be terminated on the 31<sup>st</sup> day at 11:59 p.m. Pacific Time.

### **REINSTATEMENT, CANCELLATION AND RESCISSION PROVISIONS**

#### **Reinstatement**

If you had been making contributions toward coverage for you and your Dependents and voluntarily canceled such coverage, you may apply for reinstatement. You or your Dependents must wait until the earlier of 12 months from the date of application to be reinstated or at the Employer's next open enrollment period. Blue Shield Life will not consider applications for earlier effective dates.

#### **Cancellation Without Cause**

This group Plan may be canceled by your employer at any time provided written notice is given to Blue Shield Life to become effective upon receipt, or on a later date as may be specified by the notice.

#### **Cancellation for Non-Payment of Premiums - Notices**

Blue Shield Life may cancel this group Plan for non-payment of Premiums. If your Employer fails to pay the required Premiums when due, coverage will end 31 days after the date for which Premiums are due. Your Employer will be liable for all Premiums accrued while this Plan continues in force including those accrued during the 31 day grace period.

Blue Shield Life will mail your Employer a Notice Confirming Termination of Coverage. Your Employer must provide you with a copy of the Notice Confirming Termination of Coverage.

In addition, Blue Shield Life will send you a HIPAA certificate which will state the date on which your coverage terminated, the reason for the termination, and the number of months of creditable coverage which you have. The certificate will also summarize your rights for continuing coverage on a guaranteed issue basis under HIPAA and on Blue Shield Life's conversion plan. For more information on conversion coverage and your rights to HIPAA coverage, please see the section on "Availability of Blue Shield Life Individual Plans".

### **Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact**

Blue Shield Life may cancel or rescind the group Policy for fraud or intentional misrepresentation of material fact by your Employer, or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative.

If you are hospitalized or undergoing treatment for an ongoing condition and the group Policy is cancelled for any reason, including non-payment of Premiums, no benefits will be provided unless you obtain an Extension of Benefits.

Fraud or intentional misrepresentations of material fact on an application or a health statement (if a health statement is required by the Employer) may, at the discretion of Blue Shield Life, result in the cancellation or rescission of this group Plan. Cancellations are effective on receipt or on such later date as specified in the cancellation notice. A rescission voids the Policy retroactively as if it was never effective; Blue Shield Life will provide written notice prior to any rescission.

In the event the Policy is rescinded or canceled, either by Blue Shield Life or your Employer, it is your Employer's responsibility to notify you of the rescission or cancellation.

### **Right of Cancellation**

If you are making any contributions toward coverage for yourself or your Dependents, you may cancel such coverage to be effective at the end of any period for which Premiums have been paid.

If your Employer does not meet the applicable eligibility, participation and contribution requirements of the group Policy, Blue Shield Life will cancel this Plan after 30 days' written notice to your Employer.

Any Premiums paid Blue Shield Life for a period extending beyond the cancellation date will be refunded to your Employer. Your Employer will be responsible to Blue Shield Life for unpaid Premiums prior to the date of cancellation.

Blue Shield Life will honor all claims for covered Services provided prior to the effective date of cancellation.

See the Cancellation/Rescission provision for termination for fraud or intentional misrepresentations of material fact.

---

### **EXTENSION OF BENEFITS**

If an Insured becomes Totally Disabled while validly covered under this Plan and continues to be Totally Disabled on the date the group policy terminates, Blue Shield Life will extend the Benefits of this Plan, subject to all limitations and restrictions, for covered Services and supplies directly related to the condition, illness or injury causing such Total Disability until the first to occur of the following: (1) twelve months from the date coverage terminated; (2) the date the Insured is no longer Totally Disabled; (3) the date on which the Insured's maximum Benefits are reached; (4) the date on which a replacement carrier provides coverage to the Insured that is not subject to a Pre-Existing Condition exclusion. The time the Insured was covered under this Plan will apply toward the replacement plan's pre-existing condition exclusion.

No extension will be granted unless the Plan receives written certification of such Total Disability from a licensed Doctor of Medicine (M.D.) within 90 days of the date on which coverage was terminated, and thereafter at such reasonable intervals as determined by the Plan.

---

### **COORDINATION OF BENEFITS**

Coordination of Benefits is designed to provide maximum coverage for medical and Hospital Services at the lowest cost by avoiding excessive payments.

When a person who is covered under this group Plan is also covered under another group plan, or selected group, or blanket disability insurance contract, or any other contractual arrangement or any portion of any such arrangement whereby the members of a group are entitled to payment of, or reimbursement for, Hospital or medical expenses, such person will not be permitted to make a "profit" on a disability by collecting benefits in excess of actual value or cost during any Calendar Year.

Instead, payments will be coordinated between the plans in order to provide for "allowable expenses" (these are the expenses that are Incurred for services and supplies covered under at least one of the plans involved) up to the maximum benefit value or amount payable by each plan separately.

If the covered person is also entitled to benefits under any of the conditions as outlined under the "Limitations for Duplicate Coverage" provision, benefits received under any such condition will not be coordinated with the Benefits of this Plan.

The following rules determine the order of benefit payments:

When the other plan does not have a coordination of benefits provision it will always provide its benefits first. Otherwise, the plan covering the patient as an employee will provide its benefits before the plan covering the patient as a Dependent.

Except for cases of claims for a Dependent child whose parents are separated or divorced, the plan which covers the Dependent child of a person whose date of birth, (excluding year of birth), occurs earlier in a Calendar Year, shall determine its benefits before a plan which covers the Dependent child of a person whose date of birth, (excluding year of birth), occurs later in a Calendar Year. If either plan does not have the provisions of this paragraph regarding Dependents, which results either in each plan determining its benefits before the other or in each plan determining its benefits after the other, the provisions of this paragraph shall not apply, and the rule set forth in the plan which does not have the provisions of this paragraph shall determine the order of benefits.

1. In the case of a claim involving expenses for a Dependent child whose parents are separated or divorced, plans covering the child as a Dependent shall determine their respective benefits in the following order: First, the plan of the parent with custody of the child; then, if that parent has remarried, the plan of the step-parent with custody of the child; and finally the plan(s) of the parent(s) without custody of the child.
2. Notwithstanding (1.) above, if there is a court decree which otherwise establishes financial responsibility for the medical, dental or other health care expenses of the child, then the plan which covers the child as a Dependent of the parent with financial responsibility shall determine its benefits before any other plan which covers the child as a Dependent child.
3. If the above rules do not apply, the plan which has covered the patient for the longer period of time shall determine its benefits first, provided that:
  - a. a plan covering a patient as a laid-off or retired employee, or as a Dependent of such an employee, shall determine its benefits after any other plan covering that person as an employee, other than a laid-off or retired employee, or such Dependent; and
  - b. if either plan does not have a provision regarding laid-off or retired employees, which results in each plan determining its benefits after the other, then the provisions of (a.) above shall not apply.

If this Plan is the primary carrier with respect to a covered person, then this Plan will provide its Benefits without reduction because of benefits available from any other plan.

When this Plan is secondary in the order of payments, and Blue Shield Life is notified that there is a dispute as to which plan is primary, or that the primary plan has not paid

within a reasonable period of time, this Plan will provide the Benefits that would be due as if it were the primary plan, provided that the covered person (1) assigns to Blue Shield Life the right to receive benefits from the other plan to the extent of the difference between the value of the benefits which Blue Shield Life actually provides and the value of the benefits that Blue Shield Life would have been obligated to provide as the secondary plan, (2) agrees to cooperate fully with Blue Shield Life in obtaining payment of benefits from the other plan, and (3) allows Blue Shield Life to obtain confirmation from the other plan that the benefits which are claimed have not previously been paid.

If payments which should have been made under this Plan in accordance with these provisions have been made by another plan, Blue Shield Life may pay to the other plan the amount necessary to satisfy the intent of these provisions. This amount shall be considered as Benefits paid under this Plan. Blue Shield Life shall be fully discharged from liability under this Plan to the extent of these payments.

If payments have been made by Blue Shield Life in excess of the maximum amount of payment necessary to satisfy these provisions, Blue Shield Life shall have the right to recover the excess from any person or other entity to or with respect to whom such payments were made.

Blue Shield Life may release to or obtain from any organization or person any information which Blue Shield Life considers necessary for the purpose of determining the applicability of and implementing the terms of these provisions or any provisions of similar purpose of any other plan. Any person claiming Benefits under this Plan shall furnish Blue Shield Life with such information as may be necessary to implement these provisions.

## **GROUP CONTINUATION COVERAGE AND INDIVIDUAL CONVERSION PLAN**

---

### **CONTINUATION OF GROUP COVERAGE**

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

Applicable to Insureds when the Insured's Employer (Policyholder) is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). The Insured's Employer should be contacted for more information.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended and the California Continuation Benefits Replacement Act (Cal-COBRA), an Insured will be entitled to elect to continue group coverage under this Plan if the Insured would otherwise lose coverage because of a Qualifying Event that occurs while the policyholder is subject to the continuation of group cover-

age provisions of COBRA or Cal-COBRA. The benefits under the group continuation of coverage will be identical to the benefits that would be provided to the Insured if the Qualifying Event had not occurred (including any changes in such coverage).

Note: An Insured will not be entitled to benefits under Cal-COBRA if at the time of the qualifying event such Insured is entitled to benefits under Title XVIII of the Social Security Act ("Medicare") or is covered under another group health plan that provides coverage without exclusions or limitations with respect to any Pre-existing condition. Under COBRA, an Insured is entitled to benefits if at the time of the qualifying event such Insured is entitled to Medicare or has coverage under another group health plan. However, if Medicare entitlement or coverage under another group health plan arises after COBRA coverage begins, it will cease.

### Qualifying Event

A Qualifying Event is defined as a loss of coverage as a result of any one of the following occurrences.

1. With respect to the Subscriber:
  - a. the termination of employment (other than by reason of gross misconduct); or
  - b. the reduction of hours of employment to less than the number of hours required for eligibility.
2. With respect to the Dependent spouse or Dependent Domestic Partner\* and Dependent children (children born to or placed for adoption with the Subscriber or Domestic Partner during a COBRA or Cal-COBRA continuation period may be immediately added as Dependents, provided the policyholder is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption):

\*Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

- a. the death of the Subscriber; or
- b. the termination of the Subscriber's employment (other than by reason of such Subscriber's gross misconduct); or
- c. the reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility; or
- d. the divorce or legal separation of the Subscriber from the Dependent spouse or termination of the domestic partnership; or
- e. the Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or

f. a Dependent child's loss of Dependent status under this Plan.

3. For COBRA only, with respect to a Subscriber who is covered as a retiree, that retiree's Dependent spouse and Dependent children, the Employer's filing for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.
4. With respect to any of the above, such other Qualifying Event as may be added to Title X of COBRA or the California Continuation Benefits Replacement Act (Cal-COBRA).

### Notification of a Qualifying Event

1. With respect to COBRA enrollees:

The Insured is responsible for notifying the Employer of divorce, legal separation or a child's loss of Dependent status under this Plan, within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event.

The Employer is responsible for notifying its COBRA administrator (or Plan administrator if the employer does not have a COBRA administrator) of the Subscriber's death, termination or reduction of hours of employment, the Subscriber's Medicare entitlement or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to the Insured by first class mail of the Insured's right to continue group coverage under this Plan. The Insured must then notify the COBRA administrator within 60 days of the later of (1) the date of the notice of the Insured's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event.

If the Insured does not notify the COBRA administrator within 60 days, the Insured's coverage will terminate on the date the Insured would have lost coverage because of the Qualifying Event.

2. With respect to Cal-COBRA enrollees

The Insured is responsible for notifying the Plan in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership or a child's loss of Dependent status under this Plan. Such notice must be given within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event. Failure to provide such notice within 60 days will disqualify the Insured from receiving continuation coverage under Cal-COBRA.

The Employer is responsible for notifying the Plan in writing of the Subscriber's termination or reduction of

hours of employment within 30 days of the Qualifying Event.

When the Plan is notified that a Qualifying Event has occurred, the Plan will, within 14 days, provide written notice to the Insured by first class mail of the Insured's right to continue group coverage under this Plan. The Insured must then give the Plan notice in writing of the Insured's election of continuation coverage within 60 days of the later of (1) the date of the notice of the Insured's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event. The written election notice must be delivered to the Plan by first-class mail or other reliable means.

If the Insured does not notify the Plan within 60 days, the Insured's coverage will terminate on the date the Insured would have lost coverage because of the Qualifying Event.

If this Plan replaces a previous group plan that was in effect with the Employer, and the Insured had elected Cal-COBRA continuation coverage under the previous plan, the Insured may choose to continue to be covered by this Plan for the balance of the period that the Insured could have continued to be covered under the previous plan, provided that the Insured notify the Plan within 30 days of receiving notice of the termination of the previous group plan.

### **Duration and Extension of Continuation of Group Coverage**

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this plan for up to a maximum of 36 months regardless of the type of Qualifying Event.

COBRA enrollees who reach the 18-month or 29-month maximum available under COBRA, may elect to continue coverage under Cal-COBRA for a maximum period of 36 months from the date the Insured's continuation coverage began under COBRA. If elected, the Cal-COBRA coverage will begin after the COBRA coverage ends.

Note: COBRA enrollees must exhaust all the COBRA coverage to which they are entitled before they can become eligible to continue coverage under Cal-COBRA.

In no event will continuation of group coverage under COBRA, Cal-COBRA or a combination of COBRA and Cal-COBRA be extended for more than 3 years from the date the Qualifying Event has occurred which originally entitled the Insured to continue group coverage under this Plan.

Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

### **Notification Requirements**

The Employer or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly

continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end. The COBRA enrollee should contact the Plan for more information about continuing coverage. If the enrollee elects to apply for continuation of coverage under Cal-COBRA, the enrollee must notify the Plan at least 30 days before COBRA termination.

### **Payment of Premiums**

Premiums for the Insured continuing coverage shall be 102 percent of the applicable group premium rate if the Insured is a COBRA enrollee, or 110 percent of the applicable group premium rate if the Insured is a Cal-COBRA enrollee, except for the Insured who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the premiums for months 19 through 29 shall be 150 percent of the applicable group premium rate.

Note: For COBRA enrollees who are eligible to extend group coverage under COBRA to 29 months because of a Social Security disability determination, premiums for Cal-COBRA coverage shall be 110 percent of the applicable group premium rate for months 30 through 36.

If the Insured is enrolled in COBRA and is contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all premium contributions to Blue Shield Life in the manner and for the period established under this Plan.

Cal-COBRA enrollees must submit premiums directly to Blue Shield Life. The initial premiums must be paid within 45 days of the date the Insured provided written notification to the Plan of the election to continue coverage and be sent to Blue Shield Life by first-class mail or other reliable means. The premium payment must equal an amount sufficient to pay any required amounts that are due. Failure to submit the correct amount within the 45-day period will disqualify the Insured from continuation coverage.

### **Effective Date of the Continuation of Coverage**

The continuation of coverage will begin on the date the Insured's coverage under this Plan would otherwise terminate due to the occurrence of a Qualifying Event and it will continue for up to the applicable period, provided that coverage is timely elected and so long as premiums are timely paid.

### **Termination of Continuation of Group Coverage**

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

1. discontinuance of this group policy (if the Employer continues to provide any group benefit plan for employees, the Insured may be able to continue coverage with another plan);
2. failure to timely and fully pay the amount of required premiums to the COBRA administrator or the Employer or to the Plan as applicable. Coverage will end

as of the end of the period for which premiums were paid;

3. the Insured becomes covered under another group health plan that does not include a Pre-existing Condition exclusion or limitation provision that applies to the Insured;
4. the Insured becomes entitled to Medicare;
5. the Insured commits fraud or deception in the use of the Services of this Plan.

Continuation of group coverage in accordance with COBRA or Cal-COBRA will not be terminated except as described in this provision. In no event will coverage extend beyond 36 months.

### **Continuation of Group Coverage for Insureds on Military Leave**

Continuation of group coverage is available for Insureds on military leave if the Insured's Employer is subject to the Uniformed Services Employment and Re-employment Rights Act (USERRA). Insureds who are planning to enter the Armed Forces should contact their Employer for information about their rights under the (USERRA). Employers are responsible to ensure compliance with this act and other state and federal laws regarding leaves of absence including the California Family Rights Act, the Family and Medical Leave Act, Labor Code requirements for Medical Disability.

The Plan will offer the extended coverage to former Employees of employers that are subject to the existing COBRA or Cal-COBRA, and to the former Employees' Dependent spouses, including divorced or widowed spouses as defined above, or Dependent Domestic Partners, including surviving Domestic Partners or Domestic Partners whose partnership was terminated as defined above. This coverage is subject to the following conditions:

1. The former Employee worked for the Employer for the prior 5 years and was 60 years of age or older on the date his/her employment ended.
2. The former Employee was eligible for and elected COBRA and/or Cal-COBRA for himself and his Dependent spouse (a former spouse, i.e., a divorced or widowed spouse as defined above, is also eligible for continuation of group coverage after COBRA or Cal-COBRA).

Items 1., 2. and 3. above are not applicable to a former spouse or former Domestic Partner electing continuation coverage. The former spouse or former Domestic Partner must elect such coverage by notifying the Plan in writing within 30 calendar days prior to the date that the former spouse's or former Domestic Partner's initial COBRA and/or Cal-COBRA benefits are scheduled to end.

If elected, this coverage will begin after the COBRA and/or Cal-COBRA coverage ends and will be administered under the same terms and conditions as if COBRA and/or Cal-COBRA had remained in force.

For Insureds who transfer to this coverage from COBRA, premiums for this coverage shall be 213 percent of the applicable group premium rate, or 102 percent of the applicable age adjusted group premium rate. For Insureds who transfer to this coverage from Cal-COBRA, premiums for this coverage shall be 213 percent of the applicable group premium rate, or 110 percent of the applicable age adjusted group premium rate. ## AVAILABILITY OF BLUE SHIELD LIFE INDIVIDUAL PLANS

Blue Shield Life's Individual Plans described below may be available to Insureds whose group coverage, COBRA or Cal-COBRA coverage, or Continuation of Group Coverage After COBRA and/or Cal-COBRA is terminated or expires while covered under this group Plan. (Note: only Individual Conversion Coverage is available to Insureds who are terminated from Continuation of Group Coverage After COBRA and/or Cal-COBRA.)

---

## INDIVIDUAL CONVERSION PLAN

### Continued Protection

Regardless of age, physical condition or employment status, you may continue Blue Shield Life protection when you retire, leave the job or become ineligible for group coverage. If you have held group coverage for three or more consecutive months, you and your enrolled Dependents may apply to transfer to an individual conversion plan then being issued by Blue Shield Life.

Your Employer is solely responsible for notifying you of the availability, terms and conditions of the individual conversion plan within 15 days of termination of the Plan policy.

An application and first Premium payment for the individual conversion plan must be received by Blue Shield Life within 63 days of the date of termination of your group coverage. However, if the group policy is replaced by your employer with similar coverage under another policy within 15 days, transfer to the individual conversion plan will not be permitted. You will not be permitted to transfer to the individual conversion plan under any of the following circumstances:

1. You failed to pay amounts due the Plan;
2. You were terminated by the Plan for good cause or for fraud or misrepresentation;
3. You knowingly furnished incorrect information or otherwise improperly obtained the Benefits of the Plan;
4. You are covered or eligible for Medicare;
5. You are covered or eligible for Hospital, medical or surgical benefits under state or federal law or under any arrangement of coverage for individuals in a group, whether insured or self-insured; and,

6. You are covered for similar benefits under an individual policy or contract.

Benefits or rates of an individual conversion plan are different from those in your group Plan.

A conversion plan is also available to:

1. Dependents, if the Subscriber dies;
2. Dependents who marry or exceed the maximum age for Dependent coverage under the group Plan;
3. Dependents, if the Subscriber enters military service;
4. Spouse or Domestic Partner of a Subscriber if their marriage or domestic partnership has been terminated;
5. Dependents, when continuation of coverage under COBRA and/or Cal-COBRA expires, or is terminated.

When a Dependent reaches the limiting age for coverage as a Dependent, or if a Dependent becomes ineligible for any of the other reasons given above, it is your responsibility to inform Blue Shield Life. Upon receiving notification, Blue Shield Life will offer such Dependent an individual conversion plan for purposes of continuous coverage.

### Guaranteed Issue Individual Coverage

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and under California law, you may be entitled to apply for certain of Blue Shield Life's individual plans on a guaranteed issue basis (which means that you will not be rejected for underwriting reasons if you meet the other eligibility requirements, you live or work in Blue Shield Life's service area and you agree to pay all required Premiums). You may also be eligible to purchase similar coverage on a guaranteed issue basis from any other health plan that sells individual coverage for Hospital, medical or surgical benefits. Not all Blue Shield Life individual plans are available on a guaranteed issue basis under HIPAA. To be eligible, you must meet the following requirements:

- You must have at least 18 or more months of creditable coverage.
- Your most recent coverage must have been group coverage (COBRA and Cal-COBRA are considered group coverage for these purposes).
- You must have elected and exhausted all COBRA and/or Cal-COBRA coverage that is available to you.
- You must not be eligible for nor have any other health insurance coverage, including a group health plan, Medicare or Medi-Cal.
- You must make application to Blue Shield Life for Guaranteed Issue coverage within 63 days of the date of termination from the group Plan.

If you elect Conversion Coverage, "Continuation of Group Coverage After COBRA and/or Cal-COBRA", or other Blue Shield Life individual plans, you will waive your

right to this Guaranteed Issue coverage. For more information, contact a Blue Shield Life Customer Service representative at the telephone number noted on your ID Card.

## **GENERAL PROVISIONS**

---

### **LIABILITY OF SUBSCRIBERS IN THE EVENT OF NON-PAYMENT BY THE PLAN**

In accordance with the Plan's established policies, and by statute, every contract between the Plan and its Participating Providers and Preferred Providers stipulates that the Insured shall not be responsible to the Participating Provider or Preferred Provider for compensation for any Services to the extent that they are provided in the Insured's group Policy. Participating Providers and Preferred Providers have agreed to accept the Plan's payment as payment-in-full for covered Services, except for the deductibles, Copayments, Coinsurance, amounts in excess of specified Benefit maximums, or as provided under the Exception for Other Coverage provision and the Reductions section regarding Third Party Liability.

If Services are provided by a Non-Preferred Provider, the Insured is responsible for all amounts the Plan does not pay.

When a Benefit specifies a Benefit maximum and that Benefit maximum has been reached, the Insured is responsible for any charges above the Benefit maximums.

---

### **ASSIGNMENT**

Coverage or any Benefits of this Plan may not be assigned without the written consent of Blue Shield Life. Possession of a Blue Shield Life ID card confers no right to Services or other Benefits of this Plan. To be entitled to Services, the Insured must be a Subscriber who has been accepted by the Employer and enrolled by Blue Shield Life and who has maintained enrollment under the terms of this Plan.

Participating Providers and Preferred Providers are paid directly by the Plan. The Insured or the provider of Service may not request that payment be made directly to any other party.

If the Insured receives Services from a Non-Preferred Provider and the Insured's employer is subject to the Employee Retirement Income Security Act of 1974 (ERISA) and any subsequent amendments to ERISA, payment will be made directly to the Insured, and the Insured is responsible for payment to the Non-Preferred Provider. The Insured or the

provider of Service may not request that the payment be made directly to the provider of service.

If the Insured receives Services from a Non-Preferred Provider and the Insured's employer is not subject to ERISA and any subsequent amendments to ERISA, the Insured may assign payment to the Non-Preferred Provider who then will receive payment directly from Blue Shield Life.

---

### **PLAN INTERPRETATION**

Blue Shield Life shall have the power and discretionary authority to construe and interpret the provisions of this Plan, to determine the Benefits of this Plan and determine eligibility to receive Benefits under this Plan. Blue Shield Life shall exercise this authority for the benefit of all Insureds entitled to receive benefits under this Plan.

## **ACCESS TO INFORMATION**

Blue Shield Life may need information from medical providers, from other carriers or other entities, or from you, in order to administer benefits and eligibility provisions of this policy. You agree that any provider or entity can disclose to Blue Shield Life that information that is reasonably needed by Blue Shield Life. You agree to assist Blue Shield Life in obtaining this information, if needed, (including signing any necessary authorizations) and to cooperate by providing Blue Shield Life with information in your possession. Failure to assist Blue Shield Life in obtaining necessary information or refusal to provide information reasonably needed may result in the delay or denial of benefits until the necessary information is received. ## **INDEPENDENT CONTRACTORS**

Providers are neither agents nor employees of the Plan but are independent contractors. In no instance shall the Plan be liable for the negligence, wrongful acts or omissions of any person receiving or providing Services, including any Physician, Hospital, or other provider or their employees.

---

## **ENTIRE CONTRACT**

The contract, including appendices, attachments or other documents incorporated by reference forms the entire agreement between Blue Shield Life and the Policyholder. Any statement made by the Policyholder or any Insured shall, in the absence of fraud, be deemed a representation and not a warranty. Such statements will not be used to deny a claim or void coverage unless contained in a written application.

---

## **TIME LIMIT ON CERTAIN DEFENSES**

After 2 consecutive years following issuance of this Policy, Blue Shield Life will not use any omission, misrepresentation or inaccuracy made in the application to limit, cancel or rescind the Policy, deny a claim, or raise premiums.

---

## **GRACE PERIOD**

After payment of the first premium, the Policyholder is entitled to a grace period of 31 days for the payment of any premium due. During this grace period, the policy will remain in force. However, the Policyholder will be liable for payment of premiums accruing during the period the policy continues in force.

---

## **NOTICE AND PROOF OF CLAIM**

### **Notice and Claim Forms**

In the event the provider of Service does not bill Blue Shield Life directly, you should use a Blue Shield Life Insured's Statement of Claim form in order to receive reim-

bursement. To receive a claim form, written notice of a claim must be given to Blue Shield Life within 20 days of the date of Service. If this is not possible, Blue Shield Life must be notified as soon as it is reasonably possible to do so.

When Blue Shield Life receives Notice of Claim, Blue Shield Life will send you an Insured's Statement of Claim form for filing proof of a claim. If Blue Shield Life fails to furnish the necessary claim forms within 15 days, you may file a claim without using a claim form by sending Blue Shield Life written proof of claim as described below.

### **Proof of Claim**

Blue Shield Life must receive written proof of claim no later than 90 days after the date of service for which claim is being made from a contracted professional provider and no later than 180 days for claims from non-contracted professional providers. If Blue Shield Life is not the primary payor under coordination of benefits, claims must be received within 90 days from the date of payment or date of contest, denial or notice from the primary payor.

Send a copy of your itemized bill to the Blue Shield Life service center listed on the last page of this booklet.

A claim will not be reduced or denied for failure to provide proof within this time if it is shown that it was not reasonably possible to furnish proof, and that proof was provided as soon as it was reasonably possible. However, no claim will be paid if proof is received more than one year after the date of loss, unless the Insured was legally unable to notify Blue Shield Life.

---

## **PAYMENT OF BENEFITS**

### **Time and Payment of Claims**

Claims will be paid promptly upon receipt of proper written proof and determination that Benefits are payable.

### **Payment of Claims**

Participating Providers and Preferred Providers are paid directly by Blue Shield Life.

If the Insured receives Services from a Non-Preferred Provider, payment will be made directly to the Subscriber, and the Insured is responsible for payment to the Non-Preferred Provider (except that Hospital charges are generally paid directly to the Hospital).

[\*Note: If the Insured's employer is not subject to the Employee Retirement Income Security Act of 1974 (ERISA) and any subsequent amendments to ERISA, the Insured may assign payment to the Non-Preferred Provider who then will receive payment directly from Blue Shield Life.]

Refer to the Outpatient Prescription Drug Benefit section for information on reimbursement of prescription drug claims.

---

## LEGAL ACTIONS

No action at law or in equity shall be brought to recover on this Policy prior to the expiration of 60 days after written proof of claim has been furnished in accordance with the requirements of this Policy. No such action shall be brought after the expiration of 3 years after the time written proof of claim is required to be furnished.

## **EXTERNAL INDEPENDENT MEDICAL REVIEW**

If your grievance involves a claim or services for which coverage was denied by Blue Shield Life or by a contracting provider in whole or in part on the grounds that the service is not Medically Necessary or is experimental/investigational (including the external review available

under the Friedman-Kowles Experimental Treatment Act of 1996), you may choose to make a request to the Department of Insurance to have the matter submitted to an independent agency for external review in accordance with California law. You normally must first request a grievance from Blue Shield Life and wait for at least 30 days before you request external review; however, if your matter would qualify for an expedited decision as described above or involves a determination that the requested service is experimental/investigational, you may immediately request an external review following receipt of notice of denial. You may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Customer Service. The Department of Insurance will review the application and, if the request qualifies for external review, will select an external review agency and have your records submitted to a qualified specialist for an independent determination of whether the care is Medically Necessary. You may choose to submit additional records to the external review agency for review. There is no cost to you for this external review. You and your physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield Life; if the external reviewer determines that the service is Medically Necessary, Blue Shield Life will promptly arrange for the service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available to you and is completely voluntary on your part; you are not obligated to request external review. However, failure to participate in external review may cause you to give up any statutory right to pursue legal action against Blue Shield Life regarding the disputed service. For more information regarding the external review process, or to request an application form, please contact Customer Service.
