Petitioner NATIONAL ASIAN AMERICAN COALITION (NAAC) hereby submits this supplement to its Request for Finding of Eligibility and requests the California Department of Insurance to find the National Asian American Coalition eligible to seek compensation in the above captioned matter.

I. INTRODUCTION

The NAAC hereby requests that the Insurance Commissioner find it eligible to seek compensation in Departmental Proceedings. In support of its request, pursuant to title 10, chapter 5, § 2662.2(a)2 of the California Code of Regulations, the NAAC submits the following description of its membership, newsletter circulation and, attached as Exhibit A, a statement of the NAAC's non-profit status under Internal Revenue Code section 501(c).

II. PETITIONER'S MEMBERSHIP AND PUBLICITY MATERIALS

The NAAC is a nonprofit national advocacy organization that represents the interests of consumers. It is not an explicit membership organization, but has served over 9,000 homeowners since its founding, and over the last year, more than 5,000 Californians have attended the NAAC's homeowner assistance events.

The NAAC was formed to advocate for statewide and national constituencies instead of discrete members. The organization's constituencies are primarily communities of color, and low-income consumers, though the organization takes positions relevant to all Californians.

The NAAC is a US Department of Housing and Urban Development-approved home counseling organization, and offers direct services in the form of housing counseling, income tax preparation assistance, and provides technical assistance and training to entrepreneurs as well as small businesses.

The organization does not typically circulate a newsletter, though it expects to in the near future due to recent staffing additions.

III. CONCLUSION

WHEREFORE, the petitioner requests that the Insurance Commissioner find it eligible to seek compensation in Departmental proceedings based on this petition and the attached exhibits.

DATED: March 11, 2013

Respectfully Submitted,

Dear Taxpayer:

This is in response to your Apr. 25, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in February 2005.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
