Cannabis Insurance List		
<p>The California Department of Insurance does not recommend or endorse any of the agents/brokers listed on the Cannabis Insurance List. Find out if your agent/broker is licensed. Ask your agent/broker if your business would be covered in the event of a cannabis-related loss. Be aware of policies that have cannabis or public policy exclusions in them. To write surplus line business in California, insurers must either be on the LASLI (List of Approved Surplus Line Insurers) or must meet the eligibility requirements of California Insurance Code section 1765.1.</p>
