SUBJECT: Lloyd Dixon's Petition to Participate in PRID Procedure for the
CoreLogic U.S. Wildfire Model RQE v.22.1
(File No. PRID-2025-00003)

Dear Lloyd Dixon:

On January 28, 2025, I granted Moody's Combined Petition to Initiate and Participate in a PRID Procedure. The decision was publicly noticed on January 31, 2025.

On February 6, 2025, you timely submitted a Petition to Participate in the PRID procedure. Having determined that there is good cause for allowing the petitioner to participate, it is appropriate to grant your petition.

Participation in the PRID procedure is subject to the requirements set forth in California Code of Regulations, title 10, section 2648.5. Participants are expected to make an effort to positively contribute to the process. Participation may be suspended or revoked for failure to comply with regulatory requirements or for engaging in conduct that disrupts or prejudices the procedure.

Best regards,

Kara Voss
