## **Important Notice for Limited Liability Companies:**

Section 1647.5(c) of the California Insurance Code (CIC) requires each Limited Liability Company, at the time of licensing pursuant to this chapter and, with respect to surplus line brokers, Chapter 6, and at all times during which the company holds an active license, is required to file with the Insurance Commissioner an annual confirmation demonstrating continuing compliance with the financial security requirements of Section 1647.5 CIC. This annual confirmation is typically satisfied by submitting proof of errors and omissions liability insurance coverage. The aggregate dollar amount of errors and omissions coverage can be in the form of cash, bonds, bank certificates of deposit, U.S. Treasury obligations, etc., held to provide security for claims against the Limited Liability Company. (The amount required over the minimum of \$500,000 is at least \$100,000 multiplied by the number of licensees rendering professional services on behalf of the company; however, the maximum amount is not required to exceed \$5,000,000.00.)

For the purposes of satisfying this requirement, you are required to provide **one** of the following:

- 1. Complete and return the enclosed Certificate of Coverage (Form LIC CC1) signed by a representative of the insurance company providing the errors and omissions policy (Form LIC CC1 is available from the departmental website at www.insurance.ca.gov); or,
- 2. If assets other than the errors and omissions liability insurance are being used to satisfy the security requirements, provide verification from the bank or escrow holder listing the type of asset and the current dollar amount.
