2026 Legislation Report

Wildfire Legislation

As reported at the February 19th Curriculum Board Meeting, the wildfire legislation includes the following three bills:

- [Senate Bill \(SB\) 876](#) (Padilla) Fire and residential property insurance
- This bill is known as the Disaster Recovery Reform Act. It would require insurers to develop emergency response plans for disasters, as well as create additional consumer-related provisions for homeowners affected by wildfires by addressing matters related to underinsurance, insurer practices, claims resolution, additional living expenses, and building code upgrades.

- [Assembly Bill \(AB\) 1680](#) (Calderon) California FAIR Plan Association Creates greater ability for the California Department of Insurance to ensure accountability and coverage options in the FAIR Plan.
- [AB 1795](#) (Gipson) Smoke Damage Recovery Act
This bill requires the California Environmental Protection Agency to develop health-based standards and requirements for minimum sampling, testing, and chemical screening levels for residential properties that have sustained smoke damage as a result of a wildfire; requires CalEPA in consultation with the Department of Insurance to establish training and certification requirements; and applies the established standards to all covered smoke damage claims submitted under policies of residential property insurance.

Key consumer protections include:

- Creating a presumption that smoke damage within a wildfire impact zone resulted from the wildfire, reducing uncertainty for survivors.
- Requiring insurers to pay for necessary testing and sampling.
- Preventing insurers from terminating Additional Living Expense benefits until qualifying homes are restored and safe to occupy.
- Establishing timelines for inspections and claim handling.
- Requiring repair estimates that restore homes to their pre-loss condition while meeting health and safety standards.
- Preserving a policyholder's right to choose restoration contractors.
- Establishing training requirements for adjusters handling smoke damage claims.
- Protecting workers performing restoration and remediation activities.

Following this meeting, each bill listed above passed the Appropriations and Concurrence Committees and are currently on the Governor's desk.

Additional Wildfire Legislation includes:

- [AB 69](#) (Calderon) FAIR Plan policy notices and renewal
This bill enacts various provisions to assist California Fair Access to Insurance Requirements Plan Association (FAIR Plan) policyholders in securing coverage outside of the FAIR Plan. These provisions include providing policyholder information to interested insurers and agents or brokers of record simultaneously, while also making policyholders aware of additional coverage options.

[AB 69](#) was amended on May 22, 2026, to add to section 10095, subsection (e)(2) to include "The association shall require registered agents and brokers to complete the association's department-approved Brokers and FAIR Plan course, which provides training on the association's and the broker's responsibility to advise policyholders on the voluntary market options."

Several years ago, the Board's Vice Chairperson, Anne Lintz, asked for the California FAIR Plan to require their registered property and casualty agents to be trained on the processes and procedures to submit FAIR Plan's policies. Anne made this request based on several agents asking for her help on how to submit

FAIR Plan policies, etc. The FAIR Plan's "department-approved Brokers and FAIR Plan course" includes those processes and procedures. Anne will be relieved to know this training requirement is in AB 69.

Following this meeting, the bill listed above passed the Appropriations and Concurrence Committees and are currently on the Governor's desk.

- [AB 2473](#) (Committee on Emergency Management) Wildfire Forecast and Threat Intelligence Integration Center: forecasted extreme, life-threatening fire weather conditions. Following this meeting, this bill was held in Senate Appropriates.
- [SB 899](#) (Grove) Fire prevention: Wildfire and Forest Resilience Task Force: wildfire smoke, in Assembly Appropriations, consent calendar. Following this meeting, this bill was held in Assembly Appropriations.
- [SB 973](#) (Becker) Wildfire County Coordinator Program
Codifies and expands the Wildfire County Coordinator Program to support localized wildfire mitigation, prevention, and recovery

Subsequent to this meeting, the legislation listed above passed the Appropriations and Concurrence Committees and are currently on the Governor's desk.

[SB 1206](#) authored by the Committee on Insurance is the Department's Omnibus.

This is a non-controversial, technical, or otherwise classified as code cleanup bill and would implement the following:

- Makes the license of any licensee that is dissolved, forfeited, terminated, canceled, or surrendered by the Secretary of State, inactive.
- States that specified provisions regarding the regulation and licensing of production agencies generally apply to any applicant for a license issued by the Department or any licensee regulated by the Insurance Commissioner, unless otherwise provided.
- Pauses the 12-month period preceding the date of issue of the license, when an applicant must have taken and passed the qualifying examination for that license, during any review of the applicant's background information by the Insurance Commissioner for an alleged violation that would, if proven, result in the suspension, revocation, or denial of the application.
- Specifies that under the Public Insurance Adjusters Act, a licensee's written contract must also include the licensee's email address and a California business address.
- States that a public adjuster who receives, accepts, or holds any funds on behalf of an insured towards the settlement of a claim must deposit the funds in a non-interest-bearing escrow or trust account within 7 calendar days of receipt if the

funds relate to a claim for loss or damage in an area that is or was subject to a catastrophic disaster, or a state of emergency, or a local emergency.

- Requires a public adjuster to send to the insured any funds received towards the settlement of a claim within 30 calendar days of receipt or, if the funds relate to an area that is or was subject to a catastrophic disaster, or state of emergency, or a local emergency, within 15 calendar days of receipt.

Subsequent to this meeting, the bill listed above passed the Appropriations and Concurrency Committees and are currently on the Governor's desk.

4. Examination Statistics Report:

Rebecca Galsote, Compliance Analyst, provided the following Licensing's Examination Statistics update:

- From January 1, 2026, through June 30, 2026, there were 13,760 online remote proctored first-time test takers with 8,281 passing, which is a 60 percent first-time pass rate.
- In the same time period, there were 11,432 first-time test center license examinations with 6,414 passing, which is a 56 percent first-time pass rate.
- Overall, there were 25,192 first-time examinations, with a total of 14,695 passing, which is a 58 percent first-time pass rate.

The First-Time Pass Rates for the examinations in English and the additional languages from January 1, 2026, through June 30, 2026, were as follows:

Examination Language	Number of First-Time Test Takers	Number of First-Time Pass	First Time Pass Rate
Chinese	965	724	75%
English	22,868	13,537	59%
Korean	80	48	60%
Spanish	1,239	375	30%
Tagalog	8	4	50%
Vietnamese	32	7	21%
Total Test Center Examines	11,432	6,414	56%
Total Online Remote Examines	13,760	8,281	60%
Total Overall Examines	25,192	14,695	58%

Licensing Examinations: Scoring in the 50th–100th Percentile

In addition, for the time frame of January 1, 2026, through June 30, 2026, the License Examination Percentage Scores Reports located on page 36 of the Meeting Packet provide the pass rates by percentile for those examinees who scored 50 percent or higher on their license examination. The first list is for English examinations, and the second report includes Simplified Chinese, Korean, Spanish, Tagalog, and Vietnamese.

Administrative Bars

California Insurance Code [section 1681.5\(c\)](#) states, in part, the Commissioner shall bar any candidate caught willfully cheating from taking any license examination and from holding an active license for a period of five years. If a licensee is taking a license examination to add an additional license qualification to their active license and that person is caught cheating on their license examination, the licensee may receive an Administrative Bar, and legal action may be taken on their active license.

From January 1 to July 8, 2026, 30 cheating incidents occurred: 13 remain under review, and 17 resulted in Administrative Bars.

5. Long-Term Care Subcommittee Report: Dillon Gingras, Manager of the Curriculum Review Section, provided a status update on the Long-Term Care (LTC) Subcommittee's (Subcommittee) development of four-hour long-term care outlines (Outlines).

The Subcommittee held its final meeting on December 17, 2025, where it completed the development of the fourth Outline titled: "Making Changes to LTCi Benefits". The other three completed Outlines are titled, "LTCi Plan Design," "Navigating the LTCi Claims Process," and "Suitability."

The Outlines were sent to the Curriculum Board on Tuesday, January 27, 2026, and approved by vote during the February 19, 2026, Curriculum Board Meeting. After this

approval, the Outlines were reviewed and approved by the Department's Legal staff with minimal edits.

The Curriculum Review Section is currently working with the Department's Information Technology Division programmer to configure the [Check a License](#) web page to ensure the correct number of LTC course completion hours are shown on each licensee's continuing education transcript soon after the four-hour LTC course(s) is completed.

Once the [Check a License](#) web page is updated, the Department will publish the four Four-Hour LTC Outlines. A notice will be distributed to education providers and other interested parties to develop and submit these courses for review and approved by the Education Unit.

Soon after at least two Four-Hour LTC courses are approved, a notice will be distributed informing agents, insurers, and other interested parties about this new option to fulfill their eight-hour training requirement. The Curriculum Review Section anticipates publishing the course outlines on the Department's website in early fall 2026.

6. Property and Casualty Subcommittee Report: Ammy Dang, Education Analyst, reported on the status of the Property and Casualty Subcommittee.

Governor Newsom signed numerous bills that took effect on January 1, 2026, that have an impact on the Property and Casualty, Personal Lines, Commercial Insurance, and Limited Lines Automobile License Examination Objectives (LEOs).

At the October 16, 2025, Curriculum Board meeting, Chairperson Jesse Dogillo appointed the Property and Casualty Subcommittee to update the LEOs. The Subcommittee members include Chairperson Dogillo, Vice Chairperson Anne Lintz, Board members Aretha Hartley and Samantha Tradelius and Guest Mary Kananen.

The Subcommittee held its first meeting on November 13, 2025 and its last meeting was held on March 4, 2026. The Subcommittee updated the Property LEOs with the new wildfire 2026 laws, and they revised and added new curriculum to the earthquake, FAIR Plan and pet insurance sections. The Subcommittee also reviewed the Casualty and Personal Lines LEOs and made minor edits to those LEOs.

The Subcommittee will reconvene this fall to update the property and casualty LEOs following any new wildfire legislation signed into law prior to its January 1, 2027 effective date. The meeting will be a Microsoft Teams meeting and the agenda will be posted on the Department's Curriculum Board web page.

7. Curriculum Review Schedule and Update: Dawn Ward, Chief of the Curriculum and Licensing Background Bureau, provided the Department's Curriculum Review Schedule update.

Dawn directed the Board members and attendees to the Curriculum Review Schedule on page 42 of the Meeting Packet. She explained for new Board members and guests that this schedule outlines course development dates, review histories, and the three-year review timeline for the Board to consider if curriculum updates are required. If updates are needed, Chairperson Dogillo will appoint a subcommittee to review and update the

material to ensure the course or guideline material is current and meets news laws and regulations.

To review current and upcoming curriculum reviews, Dawn stated the Life and Disability Insurance Analyst Examination Objectives (Objectives) were sent to the Board to review in October 2025. After the Board's review of the Objectives, the Board's updates were sent to the Department's Legal Subject Matter Expert (SME) on this topic. Charlene stated that scheduling conflicts have delayed the subject matter expert's review of the Objectives. The Department's SME noted there are extensive edits needed to ensure accuracy of the curriculum.

Once the Department's Legal SME completes this thorough review, the updated Objectives will be sent for the Board's review. As discussed at this meeting, the updates could be substantial and following the Board's review the Objectives, the Objectives will need to be reviewed by PSI's psychometric analyst to align the changes with the current examination questions to determine if a Life and Disability Insurance Analyst Examination Workshop is to be scheduled.

Dawn also reiterated what Ammy Dang previously reported, that the Property and Casualty Subcommittee is currently on hold until this fall. After the 2026 legislative session has concluded, the Subcommittee will meet to make any necessary updates to the property, casualty, personal lines, commercial, and the limited line automobile insurance agent licenses curriculum based the legislation that is signed by the Governor that will take effect on or after January 1, 2027.

Dawn concluded this report noting that the Curriculum Review Schedule states the Life, Accident and Health or Sickness; Life-Limited to the Payment of Funeral and Burial Expenses; and the Independent Adjuster (Objectives), as well as the Bail Agent and the Public Adjuster Prelicensing Education Objectives are due for the Boards' review in early 2026.

To begin the review of these Objectives, Dawn stated on June 1, 2026, Ammy Dang sent the Bail Agent Prelicensing Educational Objectives to the Board to review and determine if a subcommittee is to update these Objectives. Dawn asked if any Board members or guests would like to comment on the Bail Objectives? Board member bail representative, Jason Meyerson, stated updates are needed for the Bail Prelicensing Educational Objectives.

Chairperson Dogillo asked for a roll call vote for the Board to determine whether a Bail Prelicensing Education Subcommittee is to be appointed. Dillon Gingras conducted a Board member roll call vote on appointing a Bail Education Subcommittee.

Chairperson Jesse Dogillo – Yes
Vice Chairperson Anne Lintz – Yes
Janise Graham – Yes
Aretha Hartley – Yes
Colbie McRae – Yes
Jason Meyerson – Yes
Peter Schiffrin – Yes
Samantha Tradelius – (Absent)

Vinh Truong – Yes
Suzanne Wakamoto-Lee - Yes

The Board voted for a Bail Prelicensing Education Subcommittee to be appointed to review and edit the Bail Educational Objectives. Chairperson Dogillo asked the Board members and guests, who would like to participate in this subcommittee. Board member and Bail Representative Jason Meyerson volunteered to participate on this subcommittee.

With only Board member Jason Meyerson on the Subcommittee, Dawn stated the Curriculum Review Section will work with the Board member Jason Meyerson to contact subject matter experts to serve on the Bail Subcommittee. The lead analyst for the Bail Subcommittee will be Shakira Rule, who will contact the members of the Subcommittee to set-up a subcommittee meeting schedule.

Dawn concluded her report informing the Board that in September, Ammy Dang will send the members the educational objectives for several license qualifications: Life, Accident and Health or Sickness, Life-Limited to the Payment of Funeral and Burial Expenses, the Independent and Public Insurance Adjusters. The Board will be asked to review these objectives to determine if the curricula needs updating. At the October 16th Board meeting, the Board members will vote on whether to appoint another subcommittee or if there are no substantial edits and those Objectives can be reviewed during the next three-year cycle.

8. Education Work Status Report: Maria Alfaro, education analyst, reviewed the Education Unit's statistics for the period of January 1 through June 30, 2026, stating the following items were received and processed:

- 806 new course applications in 2026, compared to 894 in 2025, during the same timeframe.
 - 98 percent (795) of new course applications were received through Sircon, compared to 83 percent (746) in 2025.
- 1,387 course renewals in 2026, compared to 1,516 in 2025.
 - 85 percent (1,182) of course renewals were received through Sircon compared to 83 percent (1,259) in 2025.
- 110 education provider applications and renewal applications in 2026, compared to 104 in 2025.
 - 80 percent (89) of education provider applications and renewals were received electronically through Sircon.

Additionally, all hard copy and Sircon applications received within the last 10 days were assigned to an education analyst. This includes:

- Electronic Continuing Education and Prelicensing course applications and renewals through Sircon
- National Association of Insurance Commissioners' (NAIC) online Continuing Education Reciprocity (CER) applications
- Education Provider applications and renewals

Roundtable / Adjourn: Vice Chairperson Ann Lintz asked whether there had been any progress regarding the long-term care matters previously discussed at the February Board Meeting.

Charlene Ferguson stated time constraints prevented the adding of the long-term care provisions to the Department's 2026 Omnibus Bill and noted this proposals could be addressed in 2027. In addition, the upcoming review of the Life LEOs offer a chance to emphasize long-term care training.

9. Adjourn: Chairperson Dogillo reminded the Board members and guests that the next Board meeting is scheduled for Thursday, October 15, 2026. This meeting will be held at the Department's Sacramento Headquarters and virtually. Curriculum Review Section staff will provide meeting details approximately 14 days prior to the meeting date. The meeting will begin at 11:00 a.m.

Chairperson Dogillo asked for a motion to adjourn the Curriculum Board July 16, 2026, meeting. Board member Colbie McRae made a motion to adjourn the Board meeting, and Board member Sue Wakamoto-Lee seconded the motion. The July 16, 2026, Board meeting was adjourned at 11:44 a.m.
