Bulletins 2020-3 and 2020-4

Dear Commissioner Lara:

We are herewith responding to the captioned insurance bulletins (the "Bulletins"). Please be advised that Dealers Assurance Company has not issued any policies in California for any of the lines of insurance described in the Bulletins. Our business is limited exclusively to issuing contractual liability policies to manufacturers, retailers, and other providers for their liabilities arising under consumer product warranties and repair agreements.

If you have any questions regarding the above, please contact me at (805) 963-2983, kborchardt@dealersassurance.com.

Very truly yours,
