1. What is PTPS?

The California Department of Insurance (CDI) has created the Premium Tax Processing System (PTPS), which allows Insurers and Surplus Line Brokers (SLB) to complete the Annual Insurance (Premium) Tax Return filings online rather than by submitting paper documents. This application is available for the 2024 Insurance (Premium) Tax Return and subsequent tax years.

Note: The PTPS is currently only for online filing of Insurance (Premium) Tax Returns for 2024 and subsequent tax years. Tax Payments cannot be made via the PTPS.

[back to top](#)

2. Who can register for PTPS?

An **Insurer's Executive Officer** (EO) and the **Surplus Line Broker** (SLB) may register with the CDI for a PTPS account to file required Insurance (Premium) Tax Forms online.

For PTPS purposes, the “**Executive Officer**” (EO) is the **Insurer’s Executive Officer** or the **Surplus Line Broker** (SLB) as described below.

- For Insurance Companies, the EO must be listed on the Insurer’s Jurat Page in order to request for a PTPS Account.

Declaration of Insurer - California Revenue and Taxation Code section 12303(a) states: “Every return required by this article to be filed with the commissioner shall be signed by the insurer or an executive officer of the insurer and shall be made under oath or contain a written declaration that it is made under penalty of perjury. A return of a foreign insurer may be signed and verified by its manager residing within this state. A return of an alien insurer may be signed and verified by the United States manager of the insurer.”

- For Surplus Line Brokers, the EO must be a Licensed Surplus Line Broker, or Officer of the SLB Agency, in order to request for a PTPS Account.

Surplus Line Broker’s Certification - California Insurance Code section 1774(a)(1) requires that the Surplus Line Broker’s Certification be completed by the broker declaring under penalty of perjury pursuant to the laws of the State of California that the annual statement and tax return, including any accompanying schedules or statements, has been examined by the broker, and is true, correct, and complete.

Note: The Insurer’s EO and the SLB responsible for signing the Insurance (Premium) Tax Return may add an Authorized Filer **after completing the registration process** via the PTPS portal. Refer to [How to add, remove \(deactivate\), and re-add \(activate\) an Authorized Filer?](#)

3. How to register for PTPS?

To register for a PTPS account as a newly admitted Insurer or licensed SLB, or to change PTPS EO/SLB Contact Information, or to cancel PTPS access for an EO/SLB, complete and file a *Premium Tax Processing System (PTPS) Account Registration Agreement for Insurers and Surplus Line Brokers (CDI FS-008)* form with the CDI via e-mail to PremiumTaxAudit@insurance.ca.gov.

- Visit the [CDI Tax Forms, Instructions & Information](#) to download the form.
- PTPS Registration Agreement must be completed and signed by the EO/SLB identified under Section II. **Do not use a shared e-mail account or an e-mail belonging to another individual.**
- Once the PTPS Registration Agreement is processed by the CDI, a PTPS Registration link will be sent to the EO/SLB e-mail provided in PTPS Agreement - Section II.
- Filing a PTPS Registration Agreement without the required document(s), or containing incorrect information, or unsigned by the EO/SLB, will delay processing or will be returned to sender to be refiled.

To complete the PTPS registration process, click on the registration link provided in the **PTPS registration instructions e-mail**.

- **For first-time Registrants**, once the registration link is clicked, select “Register” on the screen.
- **If filing for multiple entities**, refer to [How to add multiple insurance companies or surplus line brokers to PTPS account?](#)

4. How to add multiple insurance companies or surplus line brokers to PTPS account?

An individual registration link is sent out per company or surplus line broker license. A PTPS account must first be registered in order to add more than one company or surplus line broker under the same PTPS account.

When receiving registration links for more than one company or surplus line broker, each registration link must be clicked on. **A registered PTPS account does not need to register again, instead click on the “Sign In” button.** Once logged in, click “Confirm” to add the additional company or surplus line broker on the existing PTPS account. 5. How to add, remove (deactivate), and re-add (activate) an Authorized Filer?

Once an Insurer's Executive Officer (EO) or a Surplus Line Broker (SLB) has successfully registered for a PTPS account, there is an option to add, remove (deactivate), or re-add (activate) an Authorized Filer (AF) to the registered entity(s).

Important notice: AF PTPS accounts and access are granted each tax year. AF accounts are deactivated annually and will need to be reestablished by the EO. Only EOs have continuous access to their company/SLB tax filings in PTPS.

The registered EO is responsible for maintaining AFs for the Insurer's or SLBs PTPS account.

A. To add a new AF, the EO must follow these steps:

1. Once the EO is logged in to PTPS, go to the "Authorized Filers" tab.
2. Select the "Company/Surplus Line Broker" name under the dropdown menu.
3. Click "Add Authorized Filer" on the top right corner of the page.
4. Fill out the Authorized Filer's information (First Name, Last Name, e-mail address, and phone number).
 - *To add multiple "Company/Surplus Line Broker" for the same Authorized Filer, click "+Add Company" while you are on the "Add Authorized Filer" screen.
5. Once all the required information is entered, click on "Add Authorized Filer" at the bottom.

The screenshot shows the California Department of Insurance PTPS interface. At the top, the user is logged in as 'janedoe'. The navigation bar includes 'Home' and 'Authorized Filers', with the latter highlighted by a red arrow labeled '1'. Below the navigation bar, there is a dropdown menu for 'Company's Name' with 'CA License No. - Company/Surplus Line Broker Name' selected, indicated by a red arrow labeled '2'. To the right of this dropdown is a blue button labeled 'Add Authorized Filer', indicated by a red arrow labeled '3'. Below these elements is a search bar and a table with columns: First Name, Last Name, Full Name, Contact Role, Phone, Phone Ext, Email, and Status. The table is currently empty.

- Under the “Tax Forms” section, select the tax form by tax year.
- For SLBs only: If there were no transactions in the applicable tax year, select the *Surplus Line Broker and Special Lines Surplus Line Broker Insurance (Premium) Tax Return (Filing Zero) (CDI FS-006-0)* form.

When filing for multiple entities, only open one Tax Return Form at a time. Opening multiple tax forms may cause errors when filing.

Fill in all the required fields in the online Insurance (Premium) Tax Return. If the tax return form cannot be completed during the same session, or if it is not ready to be submitted, the online tax return is automatically saved and can be accessed again any time as long as the tax return has not been “Submitted.”

If a line item on the Tax Form is not applicable, enter “0”.

Important Note: Calculation error messages generated by the PTPS are advisory, intended to help cross-reference entries and ensure accurate data input. Data entered should be a direct and accurate representation of the filer's records. Certain tax forms require all information be completed before the system can accurately populate the calculations for Page 1 of the tax return. A tax return can still be submitted if a calculation error message is visible. After the required data has been entered for the online Insurance (Premium) Tax Return, all the **required attachments** must also be uploaded. Note: Only upload PDF files, no other file type will be accepted. PTPS will not allow an incomplete online Insurance (Premium) Tax Return to be submitted until all the required fields and attachments are entered/uploaded.

If an error message pops up when trying to attach a file:

- Change file extension to lowercase (.pdf).
- Shorten and/or simplify the filename to remove any hyphens, dashes, and parenthesis.

When the Insurance (Premium) Tax Return is ready to be submitted, proceed to click **“Ready for Signature”** from either the top or the bottom of the online Insurance (Premium) Tax Return page. Once submitted, a notification will be seen on the screen, and also by e-mail confirmation, of further instructions to complete the submission process.
