**POSTPONEMENT OF PRENOTICE PUBLIC DISCUSSIONS ON  
EYEWITNESS IDENTIFICATION PROCEDURES**

---

This letter is to advise you that the California Department of Insurance is indefinitely postponing the prenotice public discussion regarding proposed Eyewitness Identification Procedures, previously scheduled for April 14, 2020. Please *do not* appear in person, or call-in, on April 14, 2020.

Consistent with social distancing mandates, and in order to foster broader public participation, the prenotice public discussion on Eyewitness Identification Procedures will be postponed until circumstances allow rescheduling.

As an interested stakeholder, you will receive notice of the rescheduled prenotice public discussion, once a date and time have been set by the Department.

If you have any questions regarding this letter, or the draft text of proposed regulation, please direct them to the contact persons identified below.

**Contact Persons.** All substantive questions and concerns regarding the contemplated regulations and/or these public discussions should be directed to Damon Diederich.
