Attorneys for The California Department of Insurance

**BEFORE THE INSURANCE COMMISSIONER
OF THE STATE OF CALIFORNIA**

In the Matter of the Rates, Rating Plans, or
Rating Systems of

Mercury Casualty Company,
Mercury Insurance Company, and
California Automobile Insurance
Company,

Respondents.

File No. NC-2020-00001

STIPULATION AND CONSENT ORDER

The California Department of Insurance (“the Department”) and Mercury Casualty Company, Mercury Insurance Company (“MIC”), and California Automobile Insurance Company (“CAIC”) (“Respondents”) (collectively, the “Parties”) stipulate as follows:

RECITALS

1. The Department has jurisdiction over Respondents who are, and at all relevant times were, insurers licensed to transact the business of insurance in California.
2. At all relevant times, each of the Respondents transacted the business of insurance in California on risks or lines subject to the provisions of the California Insurance Code (“Code”) and the California Code of Regulations (“Regulations”).

3. Respondents acknowledge receipt of the Notice of Noncompliance in this matter which alleges violations of the Code and Regulations discovered during an examination of Respondents' rating and underwriting practices for the period of April 1, 2014 to June 30, 2014 (the "Exam"). The written report detailing these alleged violations was adopted on November 6, 2019 (the "Exam Report").
4. The purpose of this Stipulation is to resolve contested issues resulting from the Exam and the Exam Report.
5. The Department and Respondents believe that it is in the public interest to resolve this matter without the need for a hearing or any further administrative action.
6. Respondents deny the allegations contained in the Notice of Noncompliance (the "Allegations") and by entering into this stipulated agreement, memorialized by this Stipulation, Respondents make no admission of liability, wrongdoing or violation of law.
7. Without admitting wrongdoing, Respondents waive their rights to a hearing and any and all rights to which they may be entitled pursuant to California Insurance Code sections 1858.1, et seq.
8. From the time of the Exam until the present the Department and Respondents have met and conferred in an effort to address the Allegations.
9. Respondents agreed to make the changes to their practices and procedures that were agreed to by both parties as set forth in the Exam Report and in subsequent communications with the Department, including where appropriate (i) the refund of premium, (ii) modification of rating and underwriting rules, and (iii) development of new forms, practices and procedures.
10. Among other changes, Respondents agreed to:
 - Place drivers that qualify as statutory Good Drivers under CIC section 1861.025

1 and CCR section 2632.13.1 into the lower-priced MIC Company;

- 2 • Automatically move policyholders to the lower-priced MIC company at renewal if
- 3 they qualify as statutory Good Drivers prior to renewal;
- 4
- 5 • Align the policy language between MIC and CAIC to make them identical, unless
- 6 otherwise approved by the Department;
- 7
- 8 • Align the terms and conditions for payment of premium between MIC and CAIC
- 9 to make them identical, unless otherwise approved by the Department;
- 10
- 11 • Not decline, cancel or non-renew any policyholder(s) or applicants on the basis
- 12 that they were previously cancelled for non-payment of premium or had a not-at-
- 13 fault accident;
- 14
- 15 • Stop using “purchasing limits” to establish commercial auto underwriting tiers, as
- 16 resolution of Notice of Noncompliance allegation 16a. The Department reserves
- 17 the right to later cite Mercury for using “prior-limits” in its commercial auto
- 18 underwriting tiers if the Department finds that the use of prior limits is not
- 19 substantially related to the risk of loss.
- 20
- 21 • No longer require applicants that previously had no coverage or a lapse in
- 22 coverage to provide pictures of their cars to obtain comprehensive/collision
- 23 coverage unless all applicants for comprehensive/collision coverage are required to
- 24 provide pictures of their cars;
- 25
- 26 • No longer deny new business or non-renew existing business based on license
- 27 suspensions for failure to pay child support.
- 28

11. Respondents shall make rule filings to be consistent with the foregoing, if necessary. For
clarity, the last three (3) bullet points require a rule filing. Such filings shall be made
within 30 days after the Commissioner’s Order adopting the terms of this Stipulation.

12. Respondents shall pay a penalty of one million five hundred thousand dollars (\$1,500,000), which penalty, upon consideration of the Respondents' agreements herein, shall be stayed for a three-year period following the Commissioner's Order adopting this Stipulation ("Stayed Penalty"). The Stayed Penalty shall be deemed void *ab initio* once the Respondents (1) provide proof to the Department they have timely provided all refunds agreed to in paragraph 13, and (2) stop all of the practices set forth in the Exam Report and the Notice of Noncompliance with the exception of Notice of Noncompliance allegation 16a which is resolved as noted in the sixth bullet point above, and make the corresponding underwriting changes. In the event that Respondents materially and intentionally fail to comply with this Stipulation during the Stayed Penalty, including by committing new acts of the same violations from the Exam or Notice of Noncompliance, or new acts that constitute the same type of any of the violations contained in the Exam or Notice of Noncompliance, Respondents shall pay the Stayed Penalty of one million five hundred thousand dollars (\$1,500,000) and the Department may separately fine Respondents for any violations that occur after the date of the Commissioner's Order adopting this Stipulation. If during the Stayed Penalty period the Department does not notify Respondents that one or more of them materially failed to comply with this Stipulation, then Respondents shall be fully and completely released from making the penalty payment described herein, as set forth above. For purposes of this paragraph, "material" or "materially" and "intentional" or "intentionally" shall mean with such frequency and/or severity as to demonstrate a disregard for the requirements of this agreement and shall not include (1) any incidental failure to comply, or (2) a failure to comply that occurs in isolation, provided Respondents cure promptly upon discovering an incidental or isolated noncompliance.

13. Respondents agree to pay a total of five million dollars (\$5,000,000) in refunds, as defined below, directly to consumers impacted by the Notice of Noncompliance Allegation 8A from 2016 to 2022. Respondents will make such refunds within one hundred eighty (180)

1 days after the Commissioner's Order adopting the terms of this Stipulation. At this time,
2 the parties believe the number of impacted policies is 61,536 and that each named insured,
3 as set forth in Schedule A, should receive a refund and/or credit of approximately \$81.25.

4
5 14. Refunds that are returned to sender, or uncashed will escheat to the State of California, in
6 the name of the consumer, in accordance with applicable laws. Refunds to existing
7 policyholders may be made as a credit to premium. Respondents will use reasonable
8 efforts to find the current address to mail checks to consumers who are no longer insured
9 by Respondents. Respondents will provide the Department with an initial report regarding
10 the status of refunds and/or credits to each consumer ninety (90) days after issuance of the
11 refunds and/or credits. Respondents will thereafter provide Respondents with a report
12 every quarter until such time as any unpaid funds from the \$5 million in refunds are
13 escheated to the State of California.

14 15. Respondents acknowledge that this Stipulation is a public record as required by
15 Government Code section 11517(d) and that this Stipulation will be accessible to the
16 public pursuant to the Public Records Act, Government Code sections 6250 et seq. The
17 Stipulation will be posted on the Department's Internet website pursuant to California
18 Insurance Code section 12968.

19
20 16. Respondents acknowledge that California Insurance Code section 12921(a)(1) requires the
21 Insurance Commissioner of the State of California ("Commissioner") to approve the final
22 settlement of this matter. Both the settlement terms and conditions in this Stipulation and
23 the acceptance of those terms and conditions are contingent upon the Commissioner's
24 approval. This Stipulation will become final and effective when it is approved by the
25 Commissioner as evidenced by the execution of the Order provided below, expressly
26 adopting this Stipulation.

27 17. Respondents acknowledge that they freely and voluntarily executed this Stipulation with
28 full realization of their legal rights.

18. Respondents acknowledge that this Stipulation is effective on the date the Order adopting it is executed by the Commissioner.
19. This Stipulation shall have no force or effect if it is not approved by the Commissioner.
20. This Stipulation and Consent Order includes all acts covered in the Exam, the Exam Report, and the Notice of Noncompliance, up to the date of this Stipulation and Consent Order. Nothing in this Stipulation precludes the Department from pursuing further action against Respondents for failure to correct the actions which are the subject of this Stipulation and Consent Order.
21. Nothing contained in this Stipulation and Consent Order constitutes a limitation upon, or a waiver of the rights and powers of the Commissioner to enforce any California law, to examine the rating, underwriting and/or any other business practices of Respondents, to take corrective or disciplinary action, to assess penalties against Respondents as provided for by law, or to take such other action as necessary to protect the public. But the Department shall not seek any additional penalty against Respondents based on any of the allegations contained in the Exam, the Exam Report, or the Notice of Noncompliance, arising from acts occurring before the issuance of the Insurance Commissioner's final order settling this matter.
22. The Commissioner retains jurisdiction to ensure that the Parties comply with the provisions and terms of this Stipulation and the Order requested thereon.

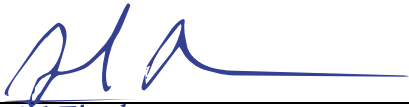

Mercury Casualty Company, Mercury Insurance Company, and California Automobile Insurance Company,
