

Through the Years

In 1991, State Senate Bill 1218 assigned the Fraud Division with the task of conducting criminal investigations involving Workers' Compensation Insurance Fraud. John Garamendi was also sworn in as the first elected official to hold the position of Insurance Commissioner.

In October of 1999, Assembly Bill 1050 created the Organized Automobile Fraud Activity Interdiction Program.

In 2005, the Healthcare and Disability Insurance Fraud Program was created to focus on the suspected loss of billions of dollars due to fraudulent health care activity.
