NEXT STEPS AND TIMELINE

1. If approved by the Task Force, the actuarial subcommittee could attend actuarial analysis Task Force Meetings on behalf of the Task Force (without requiring quorum); any meetings would still be noticed and open to the public.
 2. Oliver Wyman will issue a questionnaire asking Task Force members if they recommend any changes to the program designs included in the Feasibility Report based on Oliver Wyman’s actuarial analysis. A report supplement will be issued to document additional Task Force recommendations, if applicable.
