## **AB 567 CLARIFICATIONS**

We've received several reports of misleading communications by agents and insurers regarding a deadline to purchase private insurance

(())	Task Force mandate	<ul> <li>The Legislature established the AB 567 Task Force to <u>recommend</u> options for designing and implementing a public long- term care ("LTC") insurance program in California</li> </ul>
Oi:	Legislative next steps	<ul> <li>Following its receipt of the Actuarial Report, the Legislature <u>may or may not</u> choose to proceed with legislation to establish a public LTC program</li> <li>If the Legislature does proceed with such legislation, it may choose to adopt some, all, or none of the Task Force's recommendations</li> </ul>
		<ul> <li>As of right now, the Legislature has <u>not</u> made any decisions about a public LTC program, no payroll tax is being implemented, and there is no current "opt-out" date</li> </ul>
+	Producer communications and marketing	<ul> <li>Any agent or insurer communication stating that a public LTC program will be (or is likely to be) enacted on January 1,</li> <li>2024, or on any other <u>specific</u> date is factually untrue</li> </ul>
		Agent or insurer communications can:
		<ul> <li>Explain that the Task Force has recommended options for the design of a public LTC program</li> </ul>
		<ul> <li>Discuss the implications of a potential tax and/or opt-out for a consumer</li> </ul>
		<ul> <li>Agent or insurer communications should be clear that:</li> </ul>
		<ul> <li>There is no program, tax, or deadline being implemented at this time</li> </ul>
		<ul> <li>The Legislature would need to take action before a program or tax could be implemented</li> </ul>
		<ul> <li>All details and deadlines are up to the Legislature</li> </ul>
