AFTERNOON SESSION

1:15 – 2:30 pm

WORKSHOP 1: Strengthening Your Ability to Penetrate the Market

LOCATION: ORCHARD SUITE, 2ND FLOOR

Hear from leading insurers, certification agencies, and other business resources on how to penetrate the market, whether landing your first small contract or breaking into a large Fortune 500 company. Topics discussed will include how to leverage resources to be a stronger candidate including benefits of certification, mentorship programs to get your foot in the door, supplier development opportunities, and how to build fruitful relationships.

WORKSHOP 2: Developing and Strengthening Supplier Diversity Programs

LOCATION: WALNUT ROOM, 2ND FLOOR

Thinking about starting an insurer supplier diversity program or taking your current program to the next level? Hear from insurers with top supplier diversity programs including Tier 2 programs, diverse supplier data technology companies, and others on how to build or enhance an effective supplier diversity program. Additionally, learn about tools and data tracking systems designed just for supplier diversity programs, and hear from companies that leverage these resources.

WORKSHOP 3: Successful Approaches to Increase Governing Board Diversity

LOCATION: OAK ROOM, 2ND FLOOR

Building and maintaining a diverse governing board can take time and focused energy. Experts in the field share successful tactics, strategies, best practices, and resources to foster diversifying governing boards. Panelists include insurer Board Members and executive leaders, organizations that provide resources for diversifying boards, and other diversity experts. Common challenges faced by Boards/companies and approaches to address obstacles will also be discussed.
