---

Amee Foss is the Director of Corporate Procurement and Facilities for Mercury Insurance. She holds a Bachelor of Science in Business Administration. She has twenty six years of contracts and procurement experience and has traveled the world deploying procurement systems such as SAP. The majority of her career she spent managing teams of procurement and contracts employees in the Southern California area for tech firms and engineering firms. She worked with various teams to create supplier diversity programs at companies such as Fluor Corporation and Mercury Insurance. She can be contacted at [afoss@mercuryinsurance.com](mailto:afoss@mercuryinsurance.com).
